The Vindication by God

Seventh week in the series: JOSEPH

Genesis 41

Vindication in life always brings a sense of satisfaction in our lives, but does it look different as a Christian? In studying 41:37-57, we will explore the differences when God is involved.

Discussion Questions:

1. Do you know your spiritual giftedness?
2. Are you utilizing your spiritual giftedness?
3. Who brought you to faith in Christ?
4. How are you living your faith to pass it on to the next generation?
