

# SHAFT FR BARREL SYSTEM

MAN0018

YOUR SHAFT FR BARREL SYSTEM KIT INCLUDES:

1 x SHAFT FR barrel back

1 x SHAFT FR insert retaining collar

The new **SHAFT FR** (Freak Ready) barrel system combines the reliability and performance of the amazing SHAFT barrel platform, with the flexibility of your Freak insert kit. Using this barrel is simple, however, please follow these instructions before use.

The **SHAFT FR** DOES NOT come with any barrel inserts.  
The **SHAFT FR** can only be used with a barrel insert.

- 1 With the SHAFT FR retaining collar facing away from you, unscrew the collar counter-clockwise.
- 2 Remove the insert retaining collar.
- 3 Slide your barrel insert in from the retaining collar end. (not included with the SHAFT FR kit).
- 4 Screw in the retaining collar, clockwise, until tight.
- 5 Enjoy!
