**9: Drainage Easement - 12 Christopher Lane**

REQUESTOR SECTION

Date of request:

Requestor: William O'Rourke, DPW, Town Engineer

Formal Title: Vote to accept a Grant of Drainage Easement from Owners Sean Vaukis and Katherine Blanchard on property located at 12 Christopher Lane, Sudbury, said easement described as "Proposed 20' Wide Drain Easement" on a plan of land recorded with the Middlesex South Registry of Plan 1086 of 1981.

Recommendations/Suggested Motion/Vote: Vote to accept a Grant of Drainage Easement from Owners Sean Vaukis and Katherine Blanchard on property located at 12 Christopher Lane, Sudbury, said easement described as "Proposed 20' Wide Drain Easement" on a plan of land recorded with the Middlesex South Registry of Plan 1086 of 1981.

Background Information:

Property location 12 Christopher Lane. The Town has a drainage outfall at this property which is in disrepair and needs improvements. The existing drainage line meanders outside of the proposed easement and onto a neighbor's property at 35 Stock Farm Road. The Town wants to repair the outfall by removing it from the 35 Stock Farm Road property and reinstalling it back into the proposed easement at 12 Christopher Lane. Although the drainage easement was proposed back in 1981, it was never executed. We wish to execute the drainage easement with the current owner of 12 Christopher Lane, Mr. Sean Valukis and Mrs. Katherine Blanchard, so the Town has the right to enter into the easement, now and in the future, to maintain the pipe and outfall. Mr. Valukis and Mrs. Blanchard have graciously agreed to grant the Town the easement on their property.

**Subject:** Commission on Disability/Transportation Committee

To the Board of Selectmen/Town Manager:

Please accept my resignation from the Sudbury Commission on Disability and from the Sudbury Transportation Committee, effective as of April 9, 2019.

I will participate in the April 8 Commission on Disability meeting, when we will discuss future representation on the Transportation Committee. Thereafter, the Commission will request the appointment of its designated representative to the Transportation Committee.

Both of these committees are doing excellent work. With strong leadership and committed members, they are advancing concrete actions that will make a difference for our residents. In particular, I appreciate that the Town has committed significant staff resources, across several (busy) departments, to the transportation efforts.

I am grateful to have had the opportunity to work with these committees.

Thank you,  
Susan Iuliano
