

Sudbury Cable Television Advisory Committee  
Meeting on February 7, 2006

These are the minutes of the Sudbury Cable Television Advisory Committee meeting of Tuesday, February 7, 2006, in the local access studio at the high school. In attendance were Jeff Winston, Peggy Fredrickson, Peter Boers, Linda Wade, Marty Greenstein, and Lynn Puorro. We met at the studio at 7:30 P.M.

A motion was passed unanimously to approve Lynn's request for studio equipment. This equipment included additional DVD players and controllers for our automated cablecast equipment as well as an additional wireless lavalier microphone. The total cost should be below \$2000 which will come from the capital account.

We also recommended that Lynn ask Fred Walker for help in attaching the G5 Mac computer to the high school internet.

The meeting adjourned at 8:48 P.M.

Respectfully submitted,

Marty Greenstein
