Committee members brainstormed ideas for general goals of the Housing Plan, and specific strategies for implementation. Amy Lepak will disseminate the notes and circulate prior to the next meeting.

Reports from members

The LWV meeting on affordable housing was reported on. The speaker chosen was not very good. Approximately 40 people attended. Information was geared toward public rental housing, versus community-based housing that this committee is looking at. It was reported that the Blue Ribbon Housing Site Selection Committee will be holding its public forum on November 19th. The CHC supports these efforts, and voted to publish a favorable report in the 2004 Annual Town Meeting warrant supporting the sites chosen.

It was reported that Jody kablack will meet with the HOME Consortium on Nov. 13th to request admission into the consortium. This will enable Sudbury to receive a small amount of HUD funds for affordable housing.

Bedford's Housing Plan will be distributed at the next meeting.

The next meeting was scheduled for Tuesday, January 13, 2004 at 7:30 pm (same place). The meeting originally schedule for November 24 was cancelled.

Meeting adjourned at 9:00 pm.
