Project description

The **Pine Hill Crossing** development was approved by the Bedford Planning Board on October 18, 2018, after a zoning change approved by Town Meeting in March 2018.

The development consists of seventeen (17) new construction infill cottage type dwelling units and twelve (12) renovations to existing single family dwellings on property formerly known as the "Coast Guard Housing" site. There are two affordable deed restricted units of each type.

Pine Hill Crossing is Bedford's newest pocket community located at the former Coast Guard Housing site on Pine Hill Road. Pine Hill Crossing is a picturesque Bedford community formerly owned and operated by the US General Services Administration that provided housing for enlisted Coast Guard and Air Force families. The rebirth of this pocket community is nestled among planned interactive outdoor spaces surrounded by mature trees and rolling green lawns, conveniently located to public transportation, Route 128, and the Minuteman Bikeway which provides scenic connectivity to downtown services and activities. Walking paths and common areas throughout the property will promote connectivity among the residents.

The property was improved by fifteen three bedroom one bath single family dwellings. Pine Hill Crossing LLC has renovated twelve of the fifteen homes, with a plan to demolish the remaining three to allow for the additional development of seventeen single family dwellings.

The two new 1,358 square feet "Cottage Style" homes are located at 11 and 32 Mickelson. These homes will be 3BR, 2 bath floorplans with an open kitchen/living area. The homes have gas hot water, heat and stove, and are air-conditioned. The homes have a first-floor master bedroom. There is driveway parking for one car. The new construction homes have a condo fee of \$210/month. The design of the homes incorporate many standard features to promote accessibility and provide an opportunity for seniors to age in place. However, these units have stairs and, while built to Universal Design standards, the units are not considered adaptable by the Group 1 MAAB standards.

The two renovated 1210 square feet single floor 3-bedroom single-family condominiums are located at 27 Lewis (with 1.5 bath and AC) and 35 Pine Hill (1 bath). The homes boast new kitchen cabinets, granite counter tops, appliances including washer/dryer, hardwood floors, carpeted bedrooms and updated 1 and 1.5 bath models. A private driveway, carport and enclosed storage area add to the uniqueness of these condominiums. The homes have gas heat and hot water, and electric stove. The renovated homes have a condo fee of \$187/month.

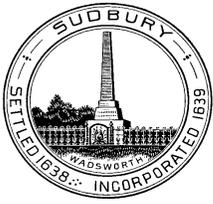

The affordable units will be offered under the Local Initiative Program (LIP), administered by Department of Housing and Community Development (DHCD), as a Local Action Unit (LAU). Local Action Units are created through local municipal action, in this case via the Town of Bedford's Special Permit for Planned Residential Developments. Sale prices of LAUs are set so that a household earning 70% of area median income would not expend more than 30% of income for housing.

The monthly Condominium fees are calculated using the proportional square foot method, as shown above. These fees represent a proportional share of the total condominium expenses covering landscaping and snow removal for the common areas, water/sewer/utilities for the common areas; irrigation for the exclusive use areas, insurance and contribution to reserve. The homeowner is responsible for all other maintenance, and will also pay real estate taxes (\$240/month using 2018 tax rate).

The units will be available to income eligible first-time homebuyers, with some exceptions permitted under the program, as noted in this application.

Lottery description:

1. The applications for this housing opportunity will be generally available, including on-line, in hardcopy at the Bedford Town Offices, and Bedford Public Library, sent to anyone interested in the lottery. Notice of the lottery will be advertised, and communicated widely through local, regional and state channels.
2. Applications must be received in hardcopy and will be checked for completion of all required components. An application will be considered complete when all required items on the checklist have been provided. Applicants are encouraged to complete the checklist as an aide to the process. We do not accept email or fax submission of applications.
3. For all units, the applicant's household size will be determined from the application, and required number of bedrooms as indicated on the application. Within each lottery pool, priority shall be given to households requiring at least the number of bedrooms for that unit. Smaller households are encouraged to apply.
4. The applicant's income will be verified and compared to the income limits published by HUD for the Boston Metropolitan Statistical Area. Income includes all income prior to any deductions from all adult household members, and are determined using the method as in the HUD Section 8 program defined at 24 CFR 5.609. An imputed income amount of 0.06% of assets will be added to income for assets over \$5,000. The current income limits will be used, currently the 2018 limits:
1 person - \$56,800, 2 person - \$64,900, 3 person - \$73,000,
4 person - \$81,100, 5 person - \$87,600, 6 person - \$94,100
5. Household assets shall not exceed \$75,000 in value. Assets include but are not limited to all cash, cash in savings accounts, checking accounts, certificates of deposit, bonds, stocks, the cash value of retirement accounts, value of real estate holdings and other capital investments. The value of necessary personal property (furniture, vehicles) is excluded

from asset values. Equity from the sale of any home will be included with other household assets that cannot exceed the household asset value limits noted above. Assets divested at less than full market value within two years of application will be counted at full market value when determining eligibility.

6. Eligible applicants must be a First-time Homebuyer. This is further defined as a household that has not owned a home within three years, including in trust, preceding the application, with the exception of displaced homemaker, single parents and senior households (at least one household member is 55 or over). Any previously or currently owned home must be sold prior to purchase of the affordable unit.

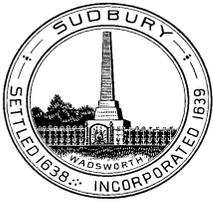

A displaced homemaker is an individual who is an adult, who has owned a home only with a spouse, who is legally separated from a spouse, and who does not currently own the home previously owned with a spouse.

Single parents are individuals who owned a home with his or her partner or resided in a home owned by the partner and is a single parent (is unmarried or legally separated from a spouse and either has 1 or more children of whom the individual has custody or joint custody, or is pregnant);

Additional exceptions are made for households that owned a principal residence not permanently affixed to a permanent foundation, and households that owned a property that was not in compliance with State, local or model building codes.

Eligible applicants cannot own residential property, whether for primary, secondary or investment purposes.

7. Persons must submit all the necessary information by the application deadline. Late applications (applications mailed and/or received after the above date) and applications that are incomplete will not be accepted. No faxed or emailed applications will be accepted.
8. All applicants will be screened for eligibility. Applicants who have been deemed ineligible will be notified in writing of the decision and given time to contact the lottery agent in writing to disagree with the determination. A final lottery eligibility letter will be mailed to each applicant indicating their final eligibility determination, preferences and the lottery specifics (date/time).
9. The Town is committed to providing equal access to all applicants. The Local Pool will be balanced to avoid any disparate impact, ensuring that the local pool reflects the racial/ethnic balance of the HUD defined Metropolitan Statistical Area ("MSA"). Specifically, if the percentage of minority local resident households in the local preference pool is less than the percentage of minorities in the surrounding HUD-defined area (27%), minority applicants will then be included from the general pool through a minority pre-balancing to the local preference pool through a minority pre-balancing. Applicants are able to claim minority preferences if they include self-declarations as proof.
10. Applicants that qualify for a local preference will be placed in the local pools. Two of units are available for local residents. Applicants will be entered into all the pools for which they qualify; so a local resident will be included in both general and local pools. Local resident includes:
 - Current Bedford residents
 - Families with children enrolled in the Town of Bedford's schools;
 - Bedford municipal employees; or
 - People employed by businesses located in the Town of Bedford, including with a bona fide offer of employment.
11. There will be two lottery pools created for these opportunities.
 - 1) General Pool (2 units): 35 Pine Hill, 11 Mickelson
 - 2) Local Pool (2 units): 27 Lewis, 32 Mickelson
12. The lottery numbers will be pulled randomly by an independent third party in a public setting. Lottery numbers will be assigned a number in the sequence in which they are drawn and recorded in the order of selection on the Lottery Drawing Lists. The list of numbers drawn will be posted and letters will be mailed within three business days to the winners.

13. Once the tickets have been randomly drawn and listed in the drawn order, the unit is then ranked based on bedroom size. The top ranked household needing at least three bedrooms will be offered the opportunity to purchase the unit. The household size preference shall be given to households based on the following criteria.
 - There is at least one occupant and no more than two occupants per bedroom.
 - A husband and wife, or those in a similar living arrangement, shall be required to share a bedroom.
 - Other household members may share but shall not be required to share a bedroom.
14. The lottery agent shall maintain all Lottery Drawing Lists. In the event that any of the applicants withdraw for any reason, or do not comply with guidelines, the next qualified applicant in the lottery pool ranked by bedroom size need, will be offered the unit.
15. Persons with a disability who can document their need the design feature in the unit will have priority for that unit.
16. If there are more local units than local applicants needing all of the bedrooms of the unit, the local unit will be offered to the next ranked applicant in the general list needing all of the bedrooms in the unit. The ranked local applicants needing one fewer bedroom will then be considered in drawing order, followed by the ranked general applicants needing one fewer bedroom than in the unit.
17. Top ranked applicants are offered the next available unit. If any applicant is offered a unit and opts not to proceed, they will be moved to the bottom of the list, unless there are extenuating circumstances related to hardship.
18. The winners will sign a reservation form and provide a \$1,000 deposit in the form of a certified or bank check within a mutually agreed upon timeframe. This is applied to the overall purchase amount.
19. Final qualification against all requirements will be verified before the execution of Purchase and Sale, and eligible applicants must be approved by DHCD before signing a P&S and again before closing (if closing is longer than 60 days from the Purchase and Sale) as determined by the Lottery Agent.
20. There are specific closing and financing requirements for loans on these units, which include the following. We strongly encourage households to apply through banks who are aware of the resale restrictions and guidelines for affordable housing programs. These banks will likely have access to additional first-time homebuyer programs that may be of great assistance and increase your buying power such as the Massachusetts Housing Partnership's ONE Mortgage Program or MassHousing no-MI product.
 - The loan must have a fixed interest rate through the full term of the mortgage.
 - The loan must have a current fair market interest rate, no more than 2 points and must be locked in.
 - The buyer must provide a down payment of at least 3%, 1.5% of which must come from the buyer's own funds.
 - The buyer may not pay more than 38% of their monthly income for monthly housing costs.
 - Mortgage co-signers are not accepted
 - Loans from non-institutional lenders will not be accepted.
21. The Fair Housing Act prohibits discrimination on the basis of race, creed, color, sex, age, disability, marital status, familial status, veteran status, sexual orientation, and/or national origin, or any other basis prohibited by law and is specifically prohibited in the sale of these units. An applicant who believes that they have been discriminated against may contact: the Massachusetts Commission Against Discrimination; and/or the United States Department of Housing and Urban Development.
22. Disabled persons are entitled to request reasonable accommodation of rules, policies, or services, or reasonable modification of housing, with submitted third party documentation of need.
23. Resale process: The Monitoring Agent has up to 90 days after you give notice of your intention to sell the home to an Eligible Purchaser, or to close on a sale to a Monitoring Agent, or to a buyer that one of them may designate. This time period can be extended, as provided in the Deed Rider, to arrange for details of closing, to locate a subsequent purchaser if the first selected purchaser is unable to obtain financing, or for lack of cooperation on your part. If you attempt to sell or transfer the home without complying with the Deed Rider requirements, the Monitoring Agents may, among their other rights, void any contract for such sale or the sale itself.
