FIRE STATION SIGN USE APPLICATION

A sign board in front of the Fire Station on Route 117 is available to Non-Profit Organizations and town committees holding events in Sudbury. There is one board at that location and the board has two spaces for event posters. Signs must be on 4' X 8' plywood in order to properly fit in the frame. Use of the board is permitted for one week. There is no cost for using the board.

Please note: Due to construction, a second sign board, formerly located on Route 20, is no longer available.

To request permission to use the sign board, please complete the form below and return to Sudbury Selectmen's office. Please call the Selectmen's Office at 978-639-3381 to determine if your requested dates are available prior to submittal.
