

Town of Sudbury
Health Department

COVID-19 Vaccine Information for the General Public

**Thank you for your interest in the COVID-19
vaccine!**

**The Sudbury Health Department does *NOT* set
the timeline for the COVID-19 vaccine or have
extra vaccine available.**

**The State of Massachusetts determines when
different groups can receive the vaccine and will
supply vaccines.**

**We look forward to sharing more information
when we have it!**

**You can learn more here:
www.mass.gov/covid-19-vaccine-in-massachusetts**

**Please send your questions to:
COVID-19-Vaccine-Plan-MA@mass.gov**
