Free!

You've served your country. Now it's time to treat yourself!

No matter where, when or how you served, there's a bond that unites all female veterans. We want to bring the community together to celebrate this bond at our 2016 Women Veteran Family Fair. Take a break from your busy schedules! Bring your family and spend time with your fellow service members for a relaxing day of FREE food, fun and activities, including:

- Arts and crafts
