

Massachusetts Military Heroes Fund Memorial Day Flag Garden

Our signature community building event! We and hundreds of volunteers create a majestic garden of flags on Boston Common for Memorial Day weekend. Each of the 37,000 flags we plant at the Soldiers and Sailors Monument will represent every brave Massachusetts service member who gave his or her life defending our country since the Revolutionary War. The completed garden is a breathtaking tribute to the true meaning of Memorial Day and a powerful message of community support to the families of these fallen heroes that their sacrifices will never be forgotten.

We rely on donors and volunteers to create this display and to stand watch over them throughout Memorial Day weekend. Please consider [volunteering](#) your time or [sponsoring a flag](#) to help create this moving tribute. <http://www.massmilitaryheroes.org/our-work/community-building-events/public-program-events/memorial-day-flag-garden-planting/>

Special thanks to John Hancock for key sponsorship of our flag garden.

Remembering & Honoring Our Heroes Ceremony

Held just before Memorial Day, this ceremony includes families of the Massachusetts fallen from Operations Iraqi Freedom, Enduring Freedom and Noble Eagle who read the names of their loved ones in front of the flag display in Boston Common. The public is welcomed and by standing with us during this ceremony, you will let these families know that their loved ones' ultimate sacrifice is honored and will never be forgotten.

This year, the public is cordially invited to attend the 2016 Memorial Day ceremony:
