**Prayer Vigil with 40 Days for Life
in Gainesville, Florida. Fri. 10/20/23. 1 pm.**

VIGIL LOCATION:

Bread & Roses Women's Health Center, 1233 NW 10th Ave Gainesville, FL

Our prayer intentions today are as follows (feel free to add your own).

1. For the victims of abortion, the babies murdered at this facility , hundreds per month.
2. To soften the hearts of those going into the abortion clinic, may they realize that they are carrying a precious child to its death and they can still turn back and seek help.
3. For discernment on the part of those who conduct the abortions, to have them turn away from this evil work as happened in the life of the hero of the movie *Unplanned*, the youngest Planned Parenthood Clinic Director, Abby Johnson.
4. For Congressman Chip Roy to have success with his introduction of the legislation to repeal the FACE Act and remove the power of government to arrest and criminally prosecute peaceful anti-abortion, pro-life demonstrators and prayer warriors.
5. For our own local Congressman to co-sponsor the repeal FACE Act bill, H.R. 5577.
6. For Congress to pass the FACE Act repeal bill.
7. For Congressman Chris Smith, who said *“Under the FACE Act, peaceful actions like holding a sign, singing a hymn, or praying.... if conducted near an abortion mill, can result in jail sentences, massive fines, and punitive damages...”*
8. For Church going people of faith to realize what is happening in this building and others like it, that they be motivated to give voice to their beliefs, speak out against this murder, and to join our ranks in prayer and in action here.
9. For our priests, rabbis and ministers to speak out loud and clear from their pulpit against this evil practice and for them to denounce politicians and judges who allow this to happen.
10. For the success of the new “Repeal the FACE Act” Petition campaign of Conservative Christian Center, asking that the donations needed for this campaign should be forthcoming so that this work continues, expands, grows and achieve success.

Message from "40 Days for Life."

Thank you very much for your interest in, and support of, 40 DFL - Gainesville Vigil.

We are praying to empower and protect women, to save the lives of the pre-born, and to ultimately abolish abortion. Tragically enough Bread & Roses is a very busy facility, and abortions are provided through 15 weeks of life.

Did you know that Florida is now referred to by many as an "Abortion Tourist State", meaning that mothers-to-be from more abortion restrictive states are traveling to Florida in droves to obtain abortions? **As a result, the number of abortions being performed in Florida is rapidly climbing, and your participation in this vigil is urgently needed.**

Please know that '40 Days for Life' signs will gladly be provided (please contact Liesa Borrillo at liesaborrillo@gmail.com or 517.281.5071 with your request). Vigil hours are 8 a.m. to 7 p.m. (from September 27th through November 5th, 2023). Parking is available across the street (behind the Applebee's) and at Fiat Center (which is two doors down from the abortion clinic).

Please be advised that pro-abortion 'escorts' are typically present outside of Bread & Roses, and they consistently play loud music in front of the facility.

It is imperative that all signs be held by volunteers. Please do not attach them to stakes, as this constitutes a code violation, and has triggered calls to authorities.

We are truly engaged in a spiritual battle to save lives ... please sign up for as many hours of prayer as possible.

Praying outside this abortion facility may be the last opportunity to save a pre-born child's life.

Again, please contact Liesa Borrillo at 517.281.5071 or liesaborrillo@gmail.com if you have questions or concerns re: the vigil. Also, please don't hesitate to forward ideas you may have re: strategies to recruit additional volunteers, promote the vigil, etc.

Thank you!
