

# JERICHO WALK

## Lap-by-lap Prayer Intentions

1. For women considering abortion - that someone in their lives would speak truth and give them the courage to choose life.
2. For the children in danger of being killed - that someone in their family would take a stand to protect them.
3. That men facing an unplanned pregnancy would embrace their responsibility to protect their family.
4. For those who work in the abortion industry - that they will have their Saul-to-Paul moment, repent, and leave their job.
5. For post abortive women and men, that they would accept responsibility for what they've done, and seek forgiveness and healing.
6. For the success of the court case as Bella Health and Wellness seeks to overturn Colorado's prohibition of the abortion pill reversal process. (Bella is the only provider in the state to fight this unjust law, and has a temporary injunction allowing them to continue to serve women who change their mind after taking the abortion pill)
7. For the protection and encouragement of all those across the world who fight against the evil of abortion.
