

If something is growing, isn't it alive?

If someone has human parents, isn't she/he human?

And we humans have human rights, don't we?

Love Unleashes Life, by Stephanie Gray Connors

The practice of slavery dehumanized entire groups of people throughout human history.

The Nazis dehumanized the Jewish people and exterminated millions of them.

Millions of unborn babies have been, and continue to be, dehumanized through the practice of abortion at the rate of 138 worldwide each minute ([worldometers.info/abortions](http://worldometers.info/abortions)).

The overturn of Roe v. Wade left the issue of abortion to each state in the U.S. Despite an 1849 law prohibiting abortion still on the books in Wisconsin, Planned Parenthood in Madison, Milwaukee and Sheboygan have resumed the destruction of innocent human lives through abortion.

40 Days for Life volunteers peacefully walk the sidewalks outside Planned Parenthood and pray for an end to abortion. We carry the message that all human life is sacred and deserving of dignity. We are each made in God's image and no one has a right to deny life to another. We offer hope, love and compassion to those contemplating abortion. When we get the opportunity, we direct mothers to Anchor of Hope Health Center just across S. Taylor Drive for compassionate and life-affirming care.

Join us in prayer and fasting to end abortion by signing up for vigil hours during these 40 days from February 14 to March 24 from 7 a.m. to 7 p.m. daily. **To sign up for vigil hours**, visit [www.40daysforlife.com/sheboygan](http://www.40daysforlife.com/sheboygan). May every unborn baby be protected by law and welcomed in love.
