

### Spring Campaign March 5– April 13

We are praying at the public areas outside of  
Women's Health Specialists Abortion Clinic  
1901 Victor Ave, Redding

40 Days For Life is running hundreds of campaigns including Redding. We are not a protest, rather we emphasize:

- **Prayer and fasting to save lives and end abortion**
- **Peaceful, positive presence**
- **Community outreach**

Proven results:

- Over 20,000 Lives Saved
- Over 200 Abortion Workers Quit
- Over 100 Abortion Centers Closed

You're invited to join us. Pray for the unborn, pray for mothers and fathers, pray for clinic workers and pray to end abortion.
