

## **Why Go to the Prayer Vigil? Why Not Pray at Home or Church.**

You need to pray at the abortion facility because your prayers there have an immediate impact on an urgent situation.

Yes, God hears and answers prayers no matter where they're said. But, when women arriving for abortions see the public vigil, they know that at the moment they need it most, someone is praying just for them.

Your presence there is the **last** sign of **Hope** before the abortion and the **first** sign of **Mercy** afterwards. Moms who chose life and former abortion works agree, a prayer presence at the facility turns women away from abortion because someone was praying just for them.

## **Why Pray at the Facility When It's closed?**

We pray even when the facility is closed because our primary audience is not the clients or workers. Our primary audience is God. "When 2 or 3 are gathered in His Name there He is in their midst". Our consistent presence is a powerful public witness to the community.

**Since 2007 local leaders have reported these blessings:**

- Over 25,000 lives saved from abortion
- 268 abortion workers quit during a 40 Days for Life Campaign
- 159 abortion facilities closed
- 1,000 cities in 64 countries
- Over 1,000,000 individual participants
- Over 19,000 churches involved
