

ACTION STEPS

Pray daily (at home or church) for the defunding of Planned Parenthood

Talk to friends, neighbors and family about why defunding Planned Parenthood is good for America

Get involved in pro-life efforts in your community, like prayer and sidewalk counseling at your local abortion facility, or volunteering at a local pregnancy center

Remind others that our work is really just beginning to extend legal protection to every unborn child and provide real support to every unborn child's mother

Text and encourage others to text the word LIFE to 33777 to be alerted when important pro-life actions and pro-life campaigns and legislation efforts are happening.

Get involved with 40 Days for Life for information: Contact Mary Clark, (513) 604-9054 or at cincy40days@fuse.net

For more information about the campaign that has saved over 25,000 babies go to: www.40daysforlife.com
