*Is an international, interdenominational prayer and fasting vigil that takes place simultaneously in cities around the world.*

**Is 40 Days for Life only about saving the unborn?**

The intentions of the vigil prayers are for:

- The lives of the unborn and the end of abortion worldwide
- Families to find the support needed to choose & sustain life
- Our communities to have the support families need
- Abortion workers to find better uses for their medical skills

**Does Winston-Salem have viable support for families facing crisis pregnancies?**

- Yes! Our area has 5 pregnancy resource centers and a maternity home that offer high-quality, wrap-around support and connect clients with other local resources they may need.

**Is the public prayer portion of the vigil family-friendly?**

- Yes, the sidewalk area is safe, non-confrontational, and peaceful. Whole families regularly participate.

**Where is the public prayer location?**

- Across from Planned Parenthood on the sidewalk in front of Salem Pregnancy Care Center.
