

40 DAYS FOR LIFE

**September 24th til
November 2nd**

**Help close the local
Planned Parenthood
abortion clinic this
campaign**

**Your prayerful presence can give hope to a woman seeking
abortion. Your witness can save lives and change hearts.**

In 2016, our local 40 Days campaign closed WomanCare abortion clinic in Southfield. **With God's help**, your prayerful presence can help close this facility too! When people are out praying, as many as 75% of their clients don't show up for their appointments.

Your witness can make a difference.

A record number of Planned Parenthoods have already closed this year; let's add this facility to the list!

Here's how to take part in 40 Days for Life in our community:
