

		NOTE: Two columns are shown for each day to accommodate listing multiple participants' names. We would like at least 2 persons present each hour, but you do not have to have a partner to come pray. When church/group name is shown, it means that group HOPES to be able to cover those hours with at least 2 people. Check online calendar to see if those hours are actually filled or if we might still need your presence. Please don't just show up to pray, if you can commit to pray beforehand. We rely on knowing when someone will be present so we can work on filling in still open hours. If you absolutely can't sign up ahead of time, please don't hesitate to come to pray, but if you could call me right before or soon after your prayer time, it would help me to know more accurately the number of participants we have at our site.
