

### **DAILY PRAYER TO OUR CAMPAIGN PATRONS:**

Dearest Our Lady of Guadalupe, St. Joseph, St. Michael the Archangel, and St. John the Baptist.

We humbly implore your powerful protection while we pray at our Prayer Vigil site today. May the four of you form a mighty hedge of protection around us to prevent us from experiencing any physical or spiritual harm. We also implore your powerful intercession for the conversion of the abortionist, the clinic staff, and for a change of mind and heart for the women/couples who have appointments in this place of death today. By the combined power of your intercession and God's unfathomable Divine Mercy, LIFE will be victorious here today...in the beautiful and powerful Name of JESUS Christ our Lord! Amen. To God be the Glory!!!
