HELP SAVE LIVES IN SHEBOYGAN!

Abortion is not a women's rights issue; It is a human rights issue. Abortion denies babies in their mothers' wombs the right to life that they deserve.

Chemical abortions, like those offered in Sheboygan, make up more than 2/3 of all abortions. Abortion hurts women, men, families; and always ends the life of an innocent baby. Abortion is NOT a solution for anything.

What can you do to end abortion? Stand up as a sign of HOPE for anyone considering abortion. Visit the website for details.
