

Planned Parenthood Facts You Should Know

Sorting through what's true and what's not when it comes to Planned Parenthood can be difficult. Vigils standers and all pro-lifers should be aware of what Planned Parenthood advertises that they do, which can be seen at their own web sites: [here](#) and [here](#).

However, the nation's largest abortion provider hides behind a veneer of marketing and misinformation. Beneath the smoke and mirrors, the facts speak for themselves. And these facts say loudly and clearly that abortion is the core mission of this organization that ***kills over 1,100 babies every day*** in America. So, learn the facts, noting that many of the citations in this report from Human Life International are from Planned Parenthood itself: [12 Planned Parenthood facts You Should Know](#).
