CEEP QuickStart Status

- Work done so far:
 - 42 Community Energy & Emissions Plans (CEEPs) through the program
 - Almost 40% of all the CEEPs conducted in BC to date
 - Almost 25% of all the CEEPs conducted in Canada to date
 - >50 communities supported with implementation support
- Let us know if you are interested in the following free support:
 - Community Energy & Emissions Plan
 - Help with implementing energy saving actions, ESPECIALLY:
 - Planning / policy tools, e.g.:
 - DPA's,
 - Building Permit Fee Rebates
 - Sustainability Checklists
 - Promoting BC Hydro programs

CEEP QuickStarts to date

Red – CEEPs. Yellow – implementation support only.

Workshop – Community Energy Planning: Getting to Implementation in BC

COMMUNITY
ENERGY PLANNING
**GETTING TO
IMPLEMENTATION**
IN CANADA

**Friday June 19, 8am-12pm, shoulder event to LGMA AGM in
Prince George**

- Workshop to help communities move from plans to implementation
- Will lead into some long-term pilot projects, providing intensive free support to communities
