Season's Greetings

Dear Friend,

Thanks to the concern of the person who gave you this gift, our office is pleased to offer you the opportunity to receive a complete structural and neurological evaluation at no charge. This evaluation would allow you to know how your body is coping with the physical, chemical, and emotional stresses of life. Our tests would include a consultation, full examination, neurological scans of your spine and nervous system.

We make this offer available only during the holiday season as a way to extend the gift of health to the friends and families of our patients.

After your examination, we will book a report of findings personally to discuss with you the various options available to either restore or expand your health. Please note that this opportunity expires on the date set on the certificate. To make an appointment, please call now. Don't forget to mention that you will be using your gift certificate for this session.

We wish you and yours the warmest and happiest of holiday greetings.

Sincerely,

Dr. Lise Cloutier
Courtyard Chiropractic

Season's Greetings

Dear Friend,

Thanks to the concern of the person who gave you this gift, our office is pleased to offer you the opportunity to receive a complete structural and neurological evaluation at no charge. This evaluation would allow you to know how your body is coping with the physical, chemical, and emotional stresses of life. Our tests would include a consultation, full examination, neurological scans of your spine and nervous system.

We make this offer available only during the holiday season as a way to extend the gift of health to the friends and families of our patients.

After your examination, we will book a report of findings personally to discuss with you the various options available to either restore or expand your health.
