TESTIMONIAL #1

Hi,

I believe any health business would benefit greatly from this expo. It was a wonderful opportunity to get us out into the community. **We have been in business for 17 years and it was amazing how many people did not know who we were.**

We have had new customers in the store already since this event. Several people also commented that they did not realize how much was out there for people in Truro. Thanks Celina for giving us a wonderful opportunity to promote our business. Hope this is ok.

Thanks,
Karen

Celina, Here it goes!

The Health Expo was the best money ,and time that we have ever spent on advertising in over 28 years in business! It was a definite eye opener to strategies that we should be implementing in the salon on a regular basis!

We look forward to next year very much!

Celina ,and her staff did a awesome professional job at executing the whole expo!
