

COMMUNITY FOUNDATIONS OF CANADA

Vital Signs® is a Vital Program of the Oakville Community Foundation's Smart & Caring Initiatives. The Foundation is a proud member of Community Foundations of Canada (CFC), a national organization that represents 191 community foundations from coast to coast. CFC was established in 1992 to connect and support this growing network of local foundations.

Vital Signs® is a national program led by community foundations and coordinated by Community Foundations of Canada that leverages local knowledge to measure the vitality of our communities and supports action towards improving our quality of life. Started by the Toronto Foundation in 2001, today more than 65 communities across Canada and around the world use Vital Signs® to mobilize the power of community knowledge for greater local impact.

As part of the 2015 initiative, the Community Foundations of Canada has prepared a national report that focuses on sense of belonging in communities. For more information, visit: vitalsignscanada.ca.

We wish to thank the Toronto Foundation for developing and sharing the Vital Signs® concept and Community Foundations of Canada for supporting a coordinated national Vital Signs® initiative.
