The Journal is owned by the **American Educational Research Association** (the “Association”) and published by **SAGE Publications, Inc.**, 2455 Teller Road, Thousand Oaks, CA 91320 (“SAGE”). The Association is pleased to consider the previously unpublished original work described above (text plus other materials to be published as part of the work, such as but not limited to tables, figures, graphs, charts, drawings, photographs and other illustrations, digital media works, and the abstract) (the “Contribution”) for publication in the Journal. To enable the Association to disseminate the Contribution to the fullest extent possible, the Association requires this Copyright Transfer Agreement be signed by the Contributor. If and when the Contribution is accepted for publication in the Journal, the following terms and conditions shall become effective as of the date of Contributor’s execution of this Agreement:

1. Transfer of Copyright. Contributor transfers and assigns to the Association for the full term of copyright and any extensions and renewals thereof, all right, title, and interest in copyright, and all of the rights comprised therein and all remedies afforded by law, throughout the world (for U.S. Government works, see paragraph 3 below) in and to the Contribution, exclusive of any copyrightable material (text or graphic) owned by others, and any revisions thereof prepared and submitted by Contributor, including without limitation the right to register copyright in the Contribution in the name of the Association and the exclusive right to reproduce, publish, republish, prepare all foreign language translations and other derivative works, distribute, sell, license, transfer, transmit, and publicly display copies of, and otherwise use the Contribution, in whole or in part, alone or in compilations, in all formats and media and by any method, device, or process, and through any channels, now known or later conceived or developed; and the exclusive right to license or otherwise authorize others to do all of the foregoing, and the right to assign and transfer the rights granted hereunder. To the extent that any right now or in the future existing under copyright is not specifically granted to the Association by the terms of this Agreement, such right shall be deemed to have been granted hereunder.

2. License to Contributor. Subject to the terms and conditions of this paragraph, Association grants to Contributor a worldwide, nonexclusive, perpetual license to exercise the rights in the Contribution set forth below:

The toll-free hyperlink will be provided by Publisher upon receipt of Contributor's request to permissions@sagepub.com.

The licenses granted above in this paragraph 2 are expressly made subject to and limited by the following restrictions:

3. U.S. Government Works. If the Contribution is designated above as a U.S. Government work, Contributor hereby certifies that all the Contributors were officers or employees of the United States Government at the time the Contribution was prepared and that it was prepared by the Contributor s as part of their official government duties. U.S. Government works may, however, be protected in other countries under foreign copyright laws governing ownership of foreign copyrights in U.S. Government works. Accordingly, if the Contribution is a U.S. Government work, paragraph 1 shall apply only outside the United States.

4. Works Prepared Under U.S. Government Contract or Grant. If the Contribution was prepared under a U. S. Government contract or grant, the Association acknowledges that the United States Government reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the Contribution for official United States Government purposes only, and to authorize others to do so, if the U.S. Government contract or grant so requires. Upon request, Contributor will provide the Association with the contract number of the U.S. Government contract or grant and/or a copy of the contract.

5. Permissions. If the Contribution contains copyrighted material (text or graphic) owned by others, then Contributor, at Contributor's expense, shall obtain written permission from the copyright owner, in form and scope acceptable to the Association, to include and reproduce such copyrighted material in the Contribution and in the Journal. The Corresponding Author shall proofread proofs of the Contribution and indicate any proposed corrections or other changes and timely return them to SAGE as directed, time being of the essence. SAGE may charge to Contributor the cost of making *extensive* text changes in proofs requested by the Corresponding Author at a rate of \$2.00 per line. If corrected proofs are not timely returned, the Association and SAGE may proceed with the publication of the Contribution as they deem appropriate.

Each Contributor will receive credit as an author of the Contribution when it is published in the Journal; the form and placement of the credit will be determined by the Association. The Corresponding Author is responsible for providing the name and contact information of each Contributor to Association in order to ensure accurate credit. Each Contributor grants the Association the right to use his/her name, likeness, biographical information, and professional credits on copies of the Contribution and the Journal and in connection with the exercise of any other rights granted to the Association hereunder and in advertising, marketing, and promotion in connection therewith, and to grant such rights to SAGE and its licensees or assigns.

8. Contributor Copies. SAGE will provide to Contributor (or to the Corresponding Author on behalf of Contributor) one (1) print form copy of the issue of the Journal in which the Contribution is first published. All financial research or project support will be identified in an acknowledgment in the manuscript.

10. Warranties; Indemnification. The Corresponding Author represents that he/she has received written permission from each Contributor to sign this Agreement, and to make the representations and warranties and transfer the rights transferred herein on each Contributor's behalf. The Corresponding Author warrants and represents that (a) all Contributors have the full power and

authority to enter into and execute this Agreement and to convey the rights granted herein, and that such rights are not now subject to prior assignment, transfer or other encumbrance; (b) the Contribution is the original work of the Contributor (s) (except for copyrighted material owned by others for which written permission has been obtained), has not been previously published in any form, and has been submitted only to the Journal; (c) the Contribution does not infringe the copyright or violate any proprietary rights, rights of privacy or publicity, or any other rights of any third party, and does not contain any material that is libelous or otherwise contrary to law; (d) all statements in the Contribution asserted as fact are either true or based upon generally accepted professional research practices, and no formula or procedure contained therein would cause injury if used in accordance with the instructions and/or warnings included in the Contribution; and (e) any studies on which the Contribution is directly based were satisfactorily conducted in compliance with the governing Institutional Review Board (IRB) standards, or exempt from IRB requirements and in conformance with the Code of Ethics of the American Educational Research Association. In the event that any of the aforementioned warranties or representations is breached, Corresponding Author shall indemnify and hold harmless the Association and SAGE, their affiliates, assigns and licensees, against any losses, liabilities, damages, costs and expenses (including legal costs and expenses) arising from or resulting out of any claim or demand of any kind relating to such breach.

This Agreement must be signed by the Corresponding Author (and Employer, if the Contribution is a work made for hire for employer) and delivered to the Association or the Association's designee as a condition of publication of the Contribution in the Journal. The Association makes no guarantee that the Contribution will be published in the Journal. If, for any reason, the Contribution is not published in the Journal, then all rights in the Contribution transferred and assigned to the Association hereunder shall revert to Contributor and this Agreement shall be of no further force and effect, and neither the Association nor Contributor will have any obligation to the other with respect to the Contribution.

12. Counterparts; Facsimile. This Agreement may be executed in counterparts, each of which shall be deemed the original, all of which together shall constitute one and the same instrument. A faxed copy shall be accepted in lieu of an original hard-copy.

13. Modification; Entire Agreement; Severability. No amendment or modification of any provision of this Agreement shall be valid or binding unless made in writing and signed by all parties hereto. This Agreement constitutes the entire agreement between the parties with respect to its subject matter, and supersedes all prior and contemporaneous agreements, understandings, and representations relating thereto.
