

## Data Availability Statement Form<sup>1</sup>

Dear Author,

The Journal *Ciência & Educação* requests information regarding the alignment of your submitted manuscript with Open Science communication practices. Please take a few moments to answer the following questions.

**Manuscript Title:**

**Authorship:**

### 1. Preprint

|                                |                                                           |
|--------------------------------|-----------------------------------------------------------|
| Is this manuscript a preprint? |                                                           |
| <input type="checkbox"/>       | <b>Yes.</b> Name of the preprint server:<br>Preprint DOI: |
| <input type="checkbox"/>       | <b>No.</b>                                                |

### 2. Research Data and other Materials Availability

This journal encourages authors to make all research content available before or at publication, with exceptions for legal or ethical reasons. The objective is to support the evaluation process for manuscripts and, if approved, contribute to the preservation, reuse, and reproduction of research.

|                                                                                                                                                                                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
