27th Sunday in Ordinary Time

ST. RITA CHURCH

Joyfully living and sharing the Gospel of Jesus, we welcome, worship, inspire, and serve with love.

ALL THINGS NEW

Embracing Our Mission in Christ

Think about what happens when our favorite football team takes the field on a crisp Sunday afternoon. We don't just sit there silently. We put on our team jerseys. We jump to our feet, yelling until our voices go hoarse. When they score, the entire stadium erupts in a massive roar of joy. Why? Because we love our team.

Right now, we are sitting in a completely different kind of stadium. This church is our home field. The people around you? This is our team. And the mission we are cheering for doesn't just last for four quarters—it lasts for eternity.

Think about the incredible plays that happen on this parish field every single week. We see the ultimate victories: parents dedicating their children to growing up in the faith, couples united in holy matrimony, and bread and wine becoming the living Body and Blood of Jesus Christ. We see people deepening their relationship with God and each other. We see our ministries rush out into the community to lift up the poor, the broken, and the lonely.

Just like any team, our parish cannot take the field alone.

A great football team needs resources. They need to keep the lights on in the stadium. They need to maintain the field. They need the right equipment to train the next generation of players. Our parish needs those exact same things. To keep our ministries running, to maintain our church, and to expand our reach, we need every single fan to step off the sidelines and be a part of celebrating what makes us Catholic.

When we look at our Catholic Ministries Appeal, this is our opportunity to buy into the team. Today, Christ is inviting you right onto the field to make a real difference in the lives of our neighbors and friends.

So let's bring that same fierce, unyielding energy we have on game day into our faith. Let's match the enthusiasm we have for a touchdown with embracing our mission in Christ.

Today, we are kicking off this year's CMA - All Things New. Stay tuned for updates and all the stats you need to share in this winning season. Go St. Rita!

Reflections on Readings for

The Twenty-seventh Sunday in Ordinary Time

"The Vineyard Of The Lord Is The House Of Israel"

In today's readings, we hear two powerful allegories of a Vineyard (representing the people or leaders of Israel) and the land owner (representing God).

In both the first reading and the Gospel, we hear how God lovingly cared for His beloved vineyard (akin to His spouse), only to have it come to naught. Imagine the sorrow on the part of the Lord.

In the first reading from the Prophet Isaiah (Isaiah 5:1-7), we hear Isaiah's "Song of the Vineyard", telling of a beloved friend's vineyard that, after so much toil and effort, produced only wild grapes. The wild grapes and the owner's response can be seen as an metaphor for the sinfulness of the people of Israel and resultant exile into captivity in a foreign land. "Now, I will let you know what I mean to do with my vineyard: take away its hedge, give it to grazing."

In our Epistle reading (Philippians 4:6-9), St. Paul wrote to his beloved Philippians from prison while they themselves were experiencing severe persecution. He exhorts them to keep their eyes and prayers fixed on Jesus, who will provide a peace beyond all human comprehension, a peace that will enable them to transcend their current difficulties and trials. Paul writes, "keep on doing what you have learned and heard and seen in me. Then, the God of peace will be with you."

In our Gospel reading (Matthew 21:33-43), Jesus continued His rebuke of the chief priests and elders with this parable, drawing upon Isaiah's Song of the Vineyard in our first reading. "Therefore, I say to you, the kingdom of God will be taken away from you and given to a people that will produce its fruit." This is something the leaders of Israel would have almost certainly recognized and seen themselves in. In this parable, Jesus likened the tenants to the chief priests and elders of Israel, the servants sent by the land owner as the prophets sent by God, and the son of the owner as Jesus Himself.

We may be tempted to see our readings today as having to do with the people of Israel and the early Christians long ago and having little to do with us. But perhaps we can see ourselves in these stories as well. How would we fare today in God's vineyard? What have we done with the gifts God has given us? What are the fruits God expects of us? Would God be disappointed in our actions?

Or would He be delighted in us?

>>> ST. RITA PARISH & SCHOOL – FALL 2026 FINANCIAL UPDATE <<<

♥♥ Thank You for Your Generosity

First and foremost, **thank you.**

The improved financial position of St. Rita Parish and School is the result of the generosity, sacrifice, and commitment of our parishioners, school families, staff, and the many people who support our community.

Over the past three years, St. Rita has made significant progress. We have moved from a financially tenuous position to one of greater strength and stability.

>>> Stronger Financial Foundation

The financial results for Fiscal Year 2025–26 were better than expected and represent the **strongest operating results St. Rita has experienced in ten years.**

Our **annual offertory collections have increased by 23%** over the past three years — an increase of more than \$150,000. This reflects the continued generosity of our parishioners and the positive response to our *United in Faith and Community* initiative, which has helped increase both Mass attendance and offertory support.

St. Rita School has also experienced significant growth. **School enrollment has increased by 50%** over the past five years, and we now have two classrooms each in grades K-4. This growth is an important sign of the vitality of our school and the confidence families have placed in a St. Rita education.

We have been blessed by **generous wills and bequests**, as well as improved earnings on funds that are held in short-term investments.

Of course, our **expenses have increased** as well. Salaries and benefits have grown as we have added teachers. The cost of building maintenance, utilities, and insurance has increased **by 60% over three years.**

Despite these pressures, the important news is that **our operating revenues are now exceeding our operating expenses.** This provides us with an annual surplus that can be used to make needed improvements to our buildings and grounds and to support the ministries and activities of St. Rita Parish and School.

>>> Supporting Our Catholic Mission

Our parishioners have also continued to demonstrate their commitment to the broader Catholic community through the **Catholic Ministries Appeal (CMA).**

For the past six years, St. Rita has exceeded its annual CMA goal. 50% of the amount raised above our goal is returned to St. Rita. Over the past three years, this has provided an average of **\$9,000 per year** back to our parish.

>>> Investing in Our Campus

Over the past three years, we have invested **\$400,000 in needed buildings, grounds, and infrastructure improvements.** Many of these improvements had been intentionally delayed before Fiscal Year 2023–24 because of financial constraints.

School projects such as the playground improvements have been supported through **fundraising events** such as the Golf Tournament and Blue & Gold Gala.

>>> Maintaining Financial Stability

Together, the parish and school now maintain **\$100,000 in operating cash** throughout the year.

St. Rita also maintains a **long-term investment fund**, established through the Diocese of Rochester, to help provide resources for future needs. The current value of this fund is more than **\$700,000.** During the past two years, approximately **\$70,000 has been used to help fund capital improvement projects.**

>>> Looking Ahead

While we are very pleased with the progress St. Rita has made, we recognize that there is important work ahead.

Among our priorities are addressing compensation for teachers and staff, responding to growing ministry needs, and continuing building and campus improvements.

Our goal is to **maintain positive operating results year after year** so that we can address these needs responsibly while continuing to strengthen the parish and school.

*Joyfully living and sharing the Gospel of Jesus,
we welcome, worship, inspire, and serve with love.*

Thank You!

The numbers tell only part of the story.

Behind every increase in offertory, every successful fundraiser, every tuition payment, every volunteer hour, and every gift or bequest is a person or family who believes in St. Rita and its mission.

Thank you for your generosity, sacrifices, prayers, and continued commitment to St. Rita Parish and School.

Because of you, St. Rita is in a stronger position today — and we are better prepared to serve our parish, educate our children, care for our campus, and faithfully carry our mission into the future.
