

# Welcome to iLit!

## LET'S GET STARTED.

### LAUNCH iLit IN TWO WAYS

#### USING A DEVICE

Visit [PearsonAppStore.com/](https://PearsonAppStore.com/) and click on Apps. Click Student and Teacher under the the Apple®, Android™, or Windows® icons to download the *iLit* Student and Teacher Apps to your device. Or click below the laptop icon to login to *iLit* on your computer's browser.

#### USING A WEB BROWSER

- You can also login directly to the *iLit* Teacher and Student Apps from a browser using our Web addresses.
- Open one of the specified Web Browsers Chrome, Safari, or Internet Explorer.
- Type the following into the navigation bar.  
For the Teacher App: [TeachiLit.com](https://TeachiLit.com)  
For the Student App: [LearniLit.com](https://LearniLit.com)

#### NEXT STEPS:

1. On this screen, choose your district name. Then, use the credentials provided to log in to the *iLit* program.

2. Choose the level of the program you want to view in the Teacher App.
