

MANNINGTON COMMERCIAL[®]

For nearly 100 years, Mannington has created flooring products known for beautiful aesthetics and exceptional durability – delivered with absolute reliability of service. Building upon broad and deep experience, we offer true choices that work for the demands of today’s retail environments.

Only Mannington offers the industry’s broadest portfolio of products through one point of contact. This creates a reliable infrastructure with deep accountability all along the lifecycle of your project – from specification to delivery, from installation to reclamation.

Our LVT, performance broadloom and modular carpet, superior formulation rubber, through-construction porcelain, resilient sheet, and VCT work together to create beautiful spaces that are built to look amazing, enhancing the overall experience of people who work, shop, and engage in them every day. All with a smaller environmental footprint.

	<p>X PRESS</p>	<p>When you really need it now. Our innovative delivery program ensures that you get the carpet and hard surface products you need quickly and reliably. With product available to ship within 5 business days, Mannington's new Xpress program leads the industry in service.</p>
	<p>ANTRON® FIBER</p>	<p>Antron® Nylon 6,6 provides up to 40% better fade resistance, up to 65% better soil resistance and 2.5x better texture retention. Carpets with Antron fiber can last up to 75% longer. Certified as an Environmentally Preferable Product.</p>
	<p>COLORSAFE®</p>	<p>Proprietary Bleach Resistant Technology resists color fade-out from bleach spills and splashes. Limited 15-Year ColorSafe® Bleach Resistant Warranty.</p>
	<p>X GUARD®</p>	<p>XGUARD® Stain Resistant Technology offers the highest level of performance in permanent stain resistance. Protection against common stains and ease of maintenance results in significant long-term appearance retention and a lower total cost of ownership. Limited 15-Year XGUARD® Stain Resistant Warranty.</p>
	<p>INTEGRA HP®</p>	<p>Integra HP® is our high performance integrated broadloom backing system with pre-consumer recycled content. Provides an impermeable moisture barrier, eliminates wick-back staining and can be chemically welded for an aseptic barrier. Resists delamination, edge ravel, moisture penetration, pilling and fuzzing, and withstands aggressive wet cleanings. Available in 9' & 12' widths for corridors. Certified NSF/ANSI-140 Gold. Lifetime Warranty.</p>
	<p>ULTRABAC® RE</p>	<p>Mannington's standard broadloom backing affords both environmental and performance attributes. Contains a minimum of 10% post-consumer recycled content by total product weight and is certified NSF/ANSI-140 Platinum. All products on UltraBac® RE are backed with a lifetime non-prorated warranty to not edge ravel, zipper or delaminate, when installed according to manufacturer's recommendations.</p>
	<p>INFINITY® MODULAR</p>	<p>Modular backing engineered for strong performance, with excellent tuft bind and dimensional stability. Resists delamination, edge ravel, pilling and fuzzing, and withstands aggressive wet cleanings. Available in standard 24" x 24" tiles. Infinity® modular contains pre-consumer recycled content. Certified NSF/ANSI-140 Gold.</p>
	<p>QUANTUM GUARD® HP</p>	<p>The highest performance commercial urethane finish in the industry. The patented aluminum oxide proprietary wearlayer eliminates the need for polish, while enhancing durability, cleanability, appearance retention and slip retardance when compared to standard resilient floors - resulting in 39% annual savings in maintenance costs.</p>
	<p>SLIP RESISTANCE</p>	<p>Product embossing texture combined with Quantum Guard® HP wear surface helps provide enhanced slip resistance in dry or wet conditions. This product meets or exceeds recommended ADA Guidelines.</p>
	<p>SEAM + ADVANTAGE</p>	<p>Leveraging years of experience manufacturing hard and soft surface flooring, we have designed our resilient sheet, LVT, and Integra HP® performance broadloom carpet to be chemically welded to each other. Providing exceptional lateral seam strength, moisture barrier, resistance to bacterial growth, lower profile for safer foot traffic, ease of roller mobility, and seamless transitions from surface to surface.</p>
	<p>WARRANTY</p>	<p>Limited Lifetime Wear & Backing Warranty.</p>
