

RE/MAX Town Centre offer Insurance Services

RE/MAX Town Centre, with headquarters in Orlando Florida, has formed a partnership with NIS (National Insurance Solutions) to offer a variety of insurance policies for their clients when they buy or rent property from RE/MAX Town Centre. As one of the 4 ancillary services that RE/MAX Town Centre has within the organization, the Insurance Division is expected to be one of the fastest growing sector of RE/MAX Town Centre's ancillary services with expectations of writing 5,000 properties by mid 2017. With so many properties being sold or rented, there was a growing need for us to expand and add Insurance Services to our ancillary division.. "Today, approximately 70% of all of the properties that we sell, the owners will be looking for property, auto, health and home warranty insurance. And with the growing number of renters requiring renters insurance, it all makes sense", says Charlie Orden, CEO-Broker and founder of RE/MAX Town Centre's 2 offices.
