10:00 – 10:10	Break
10:10 – Noon	This Too Shall Pass – continued - We are in the midst of an unprecedented time, and yes, this is a very serious virus. Because it's an election year and social media, fear is at an all time high in terms of quantity and volume. Speculation is running amuck. My children have never been through anything like this; it's the first time for them. We boomers on the other hand, have survived SARS, Ebola, Mad Cow, et al. We need to take a step back and breathe. This is not a pollyanna perspective. It's pragmatic optimism.
