Not all items listed are available at all stores. Check your store's current menu for list of available items.

The rounding of figures is based on Food and Drug Administration guidelines. Menu item ingredients information is based on standard product recipes, so variations may occur due to ordinary differences in the preparation of menu items, local suppliers, region of the country and season of the year or customer adjustments/substitutions. Test, regional or limited time items may not appear in this document. 2,000 calories a day is used for general nutrition advice, but calorie needs may vary.

MENU ITEM	Calories	Calories from Fat	Total Fat (g)	Saturated Fat (g)	Trans-Fat (g)	Cholesterol (mg)	Sodium (mg)	Carbohydrates (g)	Dietary Fiber (g)	Sugars (g)	Protein (g)
