

# Embodying the Cosmic Crystals MORGANITE

*Raquel* SPENCER

## Day 6

Cosmic Morganite brings in a new level of self-confidence, self-esteem and self-love. Your capacity to embody this frequency provides the platform for your own unique Divine essence and Light to embody into your physical reality.

Confidence and self-esteem are sexy! When you truly embody this level of self-love, you send a very powerful signal out into the quantum field and the outer reality responds.

Others may be noticeably drawn to you -- especially in an energetic way -- because they long to feel the level of self-love that you are emanating .

Embodying this level of Cosmic Morganite allows you to be a very powerful conduit for Divine Love, thus helping people tap into their own true nature.

This is a win/win situation. As you embody more self-esteem, self-love and confidence you are able to be a living example and conduit of Divine love in the world.

Call in Cosmic Morganite multiple times throughout your day to amplify your capacity to embody self-love.

Breathe and remember that you are Light.
