

Embodying the COSMIC ELEMENTS *ETHER*

13 Day Activation Series

Raquel SPENCER

Day 12

Transmission: 32:59

Music: [Gaian Choir - Sean Maher](#)

You are unlimited. Only the mind and your perceptions hinder your ability to co-create. This activation continues to clear the old pathways and patterns within your body matrix which inhibit the deep understanding of this truth,

Only when your mind and heart are merged, only when your lower personality can be overridden by your higher wisdom, only when you embody Self Love, will your perception of co-creation truly shift. The mind and personality have directed the human experience for centuries. However, this time in cosmic history allows for a profound shift in consciousness. It is why many of us choose to incarnate at this time.

You ARE a master of Light. Sit within the silence of the void within your heart. Tap into your expressions throughout the universe and allow the knowing of your mastery to permeate your awareness.

Accessing the element of Cosmic Ether unlocks this awareness more deeply into your psyche, your conscious and unconscious mind, allowing connection to the universal mind and ALL that is.

As you “practice” working with this energy, your ability to stay within this knowing increases. The more you “practice” this skill, the more you recognize how quickly you manifest in your life. Set aside time each day (or week, at the least) to re-listen to this activation (Day 12) to hone your skill and awareness.

You are manifesting continuously. Manifest from the space of Self Love and Higher Spiritual Wisdom and intelligence. Breathe and remember...
