Music - Contributing Musicians

I want to thank the beautiful and talented musicians who have contributed their music to this series.

Sean Maher is a Musician, Sound Healer, and Audio & Video Engineer, Producer, and Coach. He has spent the latter half of his life exploring the realms of transformation through sensory experience which has led him down the path of personal growth and spiritual awakening. Sean's music is an experiential journey into the subtle realms of Spirit and is enhanced by the use of sonic technologies such as binaural beats, auspicious frequencies, and conscious intention. His prevailing purpose for this music is to help people lean-in to the veil and glimpse the unseen by letting go into the sonic flow.

Sean is dedicated to being of service in a way that empowers the Inspired to bring forth their Soul's message by overcoming the blocks, both technical and psycho-emotional, that hinder this expression.
