

The needs of our clients are constantly changing, depending on their individual situations when entering and exiting our shelters. Monetary donations help us purchase most relevant and up-to-date needed items (information at the bottom of this page).

General kits are also prepared and given to our clients depending on their status. These items are given all year-round. All of these items can be **gently used unless otherwise indicated**.

***Items bolded in Red are currently out of stock (3/27/2017)**
