## become a Residential Services Volunteer

CPAF is proud to be able to provide many of the essentials—linens, toiletries, pantry items, and clothing—for families moving into shelter as they flee domestic violence. Helping families feel at home and provided for is a critical component of CPAF's residential services!

**CPAF invites you to apply to be a residential services volunteer** at our shelter by assisting with Friday grocery shopping, sorting and organizing the clothing closet, taking inventory of supplies on hand, and ensuring the well-being of residents.

Requirements: LiveScan Background check; TB test; volunteer application and interview; completion of CPAF's 65-hour Advocate Training
