How To Create Awesome Meetings is a step-by-step guide that will help you make your next meeting more productive and profitable. This book is for:

- Executives
- Managers
- Board Members
- And anyone else who wants their next meeting to be awesome!

“Over the years, I have been part of numerous planning sessions, but I have to say that Gord’s ability to get straight to the point and see through all of the cloudiness is inspirational. He has an uncanny gift of being able to read individuals and situations, while bringing out their best in a very short amount of time.”

Cynthia Annett, Board Chair, Special Olympics Edmonton/ Canada
