

Resources: Project Management for Creatives

Blog posts/articles

<http://www.creativeandmindful.com/2016/03/25/reverse-engineering/>

<http://www.creativeandmindful.com/2016/10/05/the-no-9-project/> (my blog post about project management concepts applied to the making of a quilt!)

<http://craftindustryalliance.org/tips-mounting-solo-exhibitions/> (you must be a Craft Ind. Alliance member to view but includes great tips)

<http://creativesandbusiness.com/3330-project-management-for-artists-part-i/>

<https://clarkhulingsfund.org/project-management-for-artists-meredith-bergmann/>

<http://creativepro.com/the-art-of-business-project-management-for-creative-professionals/> (a great article – but it's old... don't laugh at the QuarkExpress references)

<http://blog.ipma.world/project-management-field-arts-crafts/> (includes link to a very good project management template)

Project & Team Management Tools

Asana: <https://asana.com/>

Trello: <https://trello.com/>

Slack: <https://slack.com/>

Books

(well... **book**. You do NOT want to read 99.9% of PM publications unless you have to!)

[*Making Things Happen*](#) by Scott Berkun (ask your public library for it – it's kind of pricy but it's a really good primer on project management for non-project managers)
