Getting to know Echo Dot Kids Edition

1. Plug in Echo Dot Kids Edition
   Plug the power adapter into Echo Dot Kids Edition and then into a power outlet. You must use the items included in the original Echo Dot Kids Edition package for optimal performance. A blue light ring will begin to spin around the top. In about a minute, the light ring will change to orange and Alexa will greet you.

2. Download the Alexa App
   Download the free Amazon Alexa app to your phone or tablet. Start the download process in your mobile browser at: http://alexa.amazon.com
   If the setup process does not automatically start, go to Settings > Set up a new device. During setup, you will connect Echo Dot Kids Edition to the Internet, so you will need your Wi-Fi password.

Getting started with Echo Dot Kids Edition

Talking to Echo Dot Kids Edition
   To get the attention of your Echo Dot Kids Edition, simply say “Alexa.” See the Ask Alexa card to help you get started.

Amazon FreeTime Unlimited
   Your Echo Dot Kids Edition comes with 1 year of Amazon FreeTime Unlimited. Your child can explore with Alexa within a kid-friendly environment of skills, Audible books, and music.

Amazon Parent Dashboard
   To help your child get more out of their Echo Dot Kids Edition, go to parents.amazon.com. Here you can see an overview of your kid’s activity, manage time limits, and share appropriate skills, Audible books, and more.

Give us your feedback
   Alexa will improve over time, with new features being added regularly just for kids. We want to hear about your experiences. Use the Parent Dashboard at www.parents.amazon.com to send us feedback or visit www.amazon.com/devicesupport.
