

getting to know your Fire phone

Thank you for choosing Fire phone. Getting started takes just a few steps:

- Turn on your Fire by pressing the power button located on the top of the phone. Follow the onscreen instructions.
- Charge the battery by connecting the USB charging cable as shown, and then connect the other end of the cable to the Fire power adapter.

For help with your Fire, try Mayday by swiping down from the top of your phone, or visit www.amazon.com/firephonesupport.
