

325GS GROUND STAKE

The 325GS Ground Stake is the solution when only the best will do. Robust and heavy-duty, it is the largest GS assembly offered. The large ID is suitable for wire connections should you need to use it as a "Hub." Precision machined from solid C3600 Brass rod, the top cap boasts a full eight threads and will deliver superior performance and durability. The addition of a 2 1/2" Schedule 40 PVC support stake, available in 12", 14", and 16" lengths, makes the 325GS especially suitable for high-traffic areas. The 325GS provides exceptional strength making it ideal for large estates and resort settings.
