

CP45 COVER PLATE

The **CP45** Cover Plate, part of a full family of canopies from Auroralight, is an architectural upgrade worthy of consideration. The CP45 is compatible with a number of box sizes and utilizes a standard 1/2" (NPS) Universal Thread for near limitless fixture compatibility. Machined from solid brass for durability, the CP45's stepped-look features a premium feel, screwless faceplate, and adds an elegant solution any project.
