

JB3 120V J-BOX

The **JB3** series is a line voltage landscape lighting splice box with the option of an oversized stake assembly or trident spike for added strength and durability. Listed to UL standard 1838, this unit can be buried up to within 1" of the top, even in exterior wet locations. Top assembly readily adapts to our complete product line as well as most 12 or 120 volt fixtures from other manufacturers. Box can also be supplied without adapter to be used separate of fixture. Machined brass housing with toolless cap assembly. Accommodates two 1/2" conduits via threaded bottom inlets.
