

Discipleship Training Childcare Parent Policies

- Childcare is provided for children aged birth to 12 years old. Children over the age of 12 will not be supervised by DT Childcare Providers and will be expected to attend class with their parents
- Children must be registered to attend DT Childcare. Registration is required one week prior to the start of each course offering for each child who is attending. Health and allergy information will be obtained during registration
- Parents will sign in children before DT Class begins
- If a child is attending class with a non-parent (example: grandparent who provides care for grandchild), a parent or guardian must sign paperwork expressing consent for child to be cared for by CrossWay's DT Childcare Providers
- Children who have shown signs of illness or have had fever or vomiting in the past 24 hours should not attend DT Childcare.
- In the event that DT Childcare does not have enough workers, parents who have registered children for childcare may be asked to help provide care.
