University of California.

VOL. XV.

BERKELEY, CAL., TUESDAY, MARCH 27, 1900.

NO. 51.

## FIELD DAY ON NEXT SATURDAY.

### TRYOUT FOR UNIVERSITY TEAM.

#### Drum and Cadogan Will Race Against Each Other.

Next Saturday's field day will be an exciting contest from beginning to end. All the events will be hotly contested as the meet is practically a tryout for the intercollegiate field day and incidentally for the Eastern trip. The 440 and 220-yard dashes between Cadogan '03 and Drum '00 will be the most interesting and exciting races ever seen on the campus, as the records of the two men are within half a second of each other.

The half mile and mile runs promise to be fast and close. Plaw '02, Woolsey, Dental, and Clay '02 will try hard for first place in the shot put, and it is expected that the 42 foot mark will be reached. In the 100 yard dash, Simonds '00, Lawson '00 and Drum '00 will run close to one another. Altogether the field day promises to be more exciting even than the intercollegiate meet, and it is the hope of the management that a large crowd will be present to support the athletes who take part.

### BOATING CONTEST ARRANGED.

#### Interclass and Columbia Crew Races on April 11th.

The contest arranged some time ago between crews from the University and the Columbia Boat Club will be held on Saturday, April 11th, at 1:30 o'clock in the afternoon.

In the morning before this race, commencing at 10:30, there will be a regatta and swimming races. There will be a 440 yard relay swimming race between the classes, and interclass boating races.

Those who compose the team which will represent California against the Columbia crew are M. E. Scott '02, bow; Dave Goodale '00, No. 2; J. W. Barnes '00 No. 3; F. V. Kingston '03, Captain, stroke; Fred Thombush, coxswain.

#### Notice to Seniors.

Recorder Sutton requests Seniors to notice the form and spelling of their names in the official Senior List, which is posted on the University bulletin boards. Unless corrections are reported at the Recorder's Office, the names of the students graduated at the end of this year will stand in the University records and on the diplomas as in this list.

## BY-LAWS OF NEW CONSTITUTION.

### Committee Submits Them to Students for Consideration

The by-laws of the new constitution proposed for the Associated Students have finally been prepared by the committee for submission to the student body for consideration. The constitution was printed in last Thursday's Californian. The by-laws read as follows:

I. Rules of Order.—On questions not settled by the constitution and the by-laws, Robert's Rules of Order shall govern the Association and its committees.

II. Funds.—The funds of this Association shall be derived from the following sources:

1. Dues, which shall be one dollar per year, and become payable to the manager at the beginning of the college year; provided, however, that under no circumstances shall membership be acquired between the nomination and the election for any office.

2. Special assessments levied by a two-thirds vote at any meeting of the Association.

3. Receipts from all games, entertainments and benefits held under the auspices of the Association.

III. The executive committee shall meet weekly at a regular time and place to be determined by it at the first meeting during the college year. Four members shall constitute a quorum.

IV. Any member absent for a month from the meetings of the committee shall be considered to have vacated his office, unless leave of absence be granted by the committee.

V. The executive shall make a report to the Association at the regular meetings.

VI. The money of the Association shall be kept in bank and drawn out only on check signed by the manager, the president and the secretary.

VII. The manager shall collect dues, keep a roll of active members, attend to the correspondence of the executive committee, and keep a list of records in a suitable record book.

VIII. The manager may, subject to the approval of the executive committee, appoint assistants, without salary, to serve at his pleasure and to be responsible to him.

IX. The manager, subject to the approval of the executive committee, shall have the choice of coaches, rubbers and trainers.

X. At the first meeting of the executive committee in each month

## MILITARY BALL IN HEARST HALL.

### TO BE HELD ON MARCH 31st.

#### Proceeds Will Go Toward the Eastern Trip.

Arrangements have been very nearly completed for the military ball to be held at Hearst Hall on Saturday evening, March 31st. Tickets will be on sale at the Co-operative store on Thursday afternoon, and owing to the size of the hall only a limited number will be sold. The price of the tickets will be \$1.00. The proceeds of the ball will go toward defraying the expenses of the Eastern trip.

It is the desire of the committee that all cadets shall wear their military blouses with white duck trousers. Seniors are requested to wear their old uniforms, and if these are not obtainable they are requested to come in ordinary dress.

Mrs. Hearst has generously offered to provide the refreshments for the evening.

Mr. J. M. Taft '01 will be the floor manager. Mesdames Hearst, Soule, Bacon, Moses and Gayley have consented to act as the patronesses of the occasion.

The committee on arrangements is composed of Moulthrop '00, Robinson '00, Dolman '00, Kuster '00, Hoffman '00, Foster '00, Selby '00, Taft '01, Moran '01, Greene '01, Pringle '01, W. W. Smith '02, Powell '02, Faull '02, Pixley '02, Ritchie '02 and Sibley '03.

## TENNIS TOURNAMENT.

### Preliminary Sets at Alameda on Saturday.

A preliminary tennis tournament will be held on the Alameda courts next Saturday morning, March 31st, at 9 o'clock. All those trying for the intercollegiate tennis team must enter this tournament. This tournament will only extend to the semi-finals, and those entering the semi-finals together with Sumner Hardy, will have option on the new court.

Entries to the tournament must be handed to either Selby or Hunt '02, by Thursday night at 5 o'clock.

Those in charge of the tournament will decide upon the particular contestants, in each set.

### Stockholders Meeting.

There will be a brief meeting of the stockholders of the Californian Publishing Company in Room 18, North Hall, at 12:10 today.

## FIRST DEBATE TONIGHT.

### Nineteen Men Will Try for Places on the Team.

The first preliminary debate for the selection of the intercollegiate debating team will be held tonight at 7:30 in Stiles Hall. The question will be the same as that for the intercollegiate debate: "Resolved, That the guarantees of the constitution should extend to all persons and territory under the permanent control of the United States except to persons in tribal relations."

There will be two sets of speakers. In the first set Stephenson '01, Clausen '00, Greeley '01 and Quinn '01 will speak upon the affirmative; and Koford '03, Martin '00, Eshleman '02, Steinbart '01 and Cloud '00 upon the negative.

In the second set Hottle '00, Skaife '00, Ager '02 and Reith '00 will uphold the affirmative, and Nathan '00, Finley '03, Rhuart '01, Aitken '00, Borton, Law, and Martin '02 the affirmative. Each speaker will be allowed ten minutes.

The judges of the debate will be Professors Clapp, Brown, Lange and one other who is yet to be chosen. The final preliminaries will be held on Thursday evening.

### Gift from Whitelaw Reid.

Hon. Whitelaw Reid, the distinguished diplomat and scholar who delivered the Charter Day address for the University of California, has promised Professor Gayley, chairman of the Editorial Committee of the Academic Council, to have 600 copies of his Charter Day address printed for distribution by the University. Within a month the pamphlet will be ready for distribution. The address has excited wide notice because of the vital nature of the questions which it discussed.

### Match Shoot Saturday.

There is to be a match shoot with Company D of Redlands, by telegraph, on Saturday of this week. The following men have been notified to be on hand at Shell Mound Park by 1:30 p. m., to take part in the shoot: Baker '01, Bradley '00, C. H. Gorrill '02, C. L. Gorrill '02, Harley '03, Hilton '00, Frickstad '01, Oliver '00, Taylor and Tracy '02; substitutes, Pearce '00, Rhodes '02, Radewill '02 and Vanderbilt '02.

The range will be open for practice Tuesday afternoon from 3 o'clock on. There will be no practice on Saturday.

**COLLEGE CALENDAR**

Today, March 27.

- 11:15 a.m.—In the Astronomical Lecture Room of the Students Observatory, Lecture. Mr Alexander McAdie, Honorary Lecturer on Meteorology: Exploring the Atmosphere.
- 7:30 p.m.—In Stiles Hall, first preliminary for the intercollegiate debate.
- 8:00 p.m.—In Mark Hopkins Institute of Art, University Extension Lecture. Assistant Professor Page: The Commercial Development of the United States.
- 8:00 p.m.—In Stiles Hall, meeting of the Pomona College Club.
- Farmers' Institute at Pylema, conducted by Mr Fowler and Assistant Professor Hayne.

To be a truly loyal supporter of the Blue and Gold at the present juncture is a matter requiring no small application. There are a number of projects on hand for the promotion of our undertakings and the betterment of our affairs. Their success depends largely upon the devotion and open-handedness of the undergraduate body, but also upon their efforts towards the enlistment of outside interest and assistance.

First comes the University Championship Field Day next Saturday. Those who attend will witness the results of the earnest training for the eastern trip and will be able to form some judgment of our prospects. More than that, we all owe it to the team and to the management to attend, for nothing will go so far as a large and enthusiastic crowd to put heart and a victorious spirit in athletes and managers.

The second week in April is to be University week at the Grand Opera House. Here, too, the first duty is personal support, but here also is the greatest opportunity for enlisting outside support. The students of the College of Letters, who recently set out upon a similar mission under the sceptical glances of many of the r friends, brought back very handsome returns. University week

claims similar services from us all—services which we can undertake with the assurance that we shall be advising well those whom we urge to attend.

**LECTURES ON PAUL.**

A Set of Four Lectures by University Men.

On March 30th begins a series of four lectures on the life of Paul. These lectures will be held Fridays at 3:45, in Room 18, North Hall. The speeches, dates and subjects are:

Professor S. Voorsanger, April 6th, "The Sabbath: its origin, function and power, and incidentally Paul's connection with it."

Dr. K. C. Babcock, April 13th, "Paul's Plan and Method of Work."

President Wheeler, April 20th, "Influence of Paul's Life on the Civilization of the Roman Empire."

Articles by University Men.

The March number of Public Economy, a San Francisco monthly devoted to financial and political issues in California, has a picture of President Wheeler on the front page and a short history of his life. There is also an article by Professor A. O. Leuschner on the finances of the University. In this article it is shown that the annual expenditure per student is less than half of that in some of the Eastern Universities. It is hard to make general comparisons between the different universities of the country as they do not all have the same range of studies; Chicago for instance, has no engineering colleges, Harvard, Columbia and Chicago have no Agricultural Experiment Stations. In California the Affiliated Colleges are not counted as they are not under the direct control of the Board of Regents.

Michigan, it is shown, undoubtedly has the lowest expenditure per student of the leading Eastern universities, \$156. California's expenditure, is \$160; this, however, includes the expenses of educating the mining students who, in Michigan, are taught at a separate institution at a cost of \$422 per student, making an average for all students of \$175. Harvard spent for each student in the year 1897-98, \$299, Chicago \$416, Columbia \$565, and they are all asking for more money.

In spite of its small resources, California, however, has brought itself into the front rank of the universities of the country.

Another feature of Public Economy is an article by President Wheeler on the thesis that the true object of education is to make men and women.

The regular meeting of the Students' Congress, which would have been held tonight, has been postponed one week on account of the preliminaries for the intercollegiate debate. The question and participants will be the same as those formerly announced for tonight.
