## Koll Hurls Bear Nine To Victory

### California Defeats Gaels for Third League Triumph

A two-hit victory, pitched by Mike Koll, against St. Mary's yesterday on Edwards field kept the California Varsity baseball team in the top position in the CIBA with three straight wins. The score was 8-1.

The Bears will play a practice game against Union Oil at 3:15 p.m. today on Edwards field.

The only Gael batter to trouble Koll yesterday was Lee Mohr, second baseman, who got both of the St. Mary's hits and scored the sole run off Koll.

**MOHR HITS**  
In the third inning Mohr's infield single paved the way for the Phoenix's run. Ray Tran hit to Jack Albright Bear shortstop, who threw wild to first, allowing Mohr to score.

Carl Hoberg, California catcher, received a shiner under his left eye in the fifth inning when he was hit by Wes Bailey's last pitch before Bailey was replaced on the mound for St. Mary's by Tran.

Hoberg stepped into one of Tran's pitches in the sixth inning with two men out and a three and two count on him and drove a home run over Ed Heffernan's head in left field.

**SCORE BOOSTED**  
Three-run spurts in the fourth and fifth innings and one tally in the eighth accounted for the Bears' other seven runs.

Hoberg started off the rally in the fourth inning by walking. Ray Ambling singled and Bob Jacobsen doubled to score Hoberg and Ambling, giving the Bears a 2-1 lead. Jack Albright walked and Koll singled over second base to send Jacobsen home. Ed Ongerth and Stan Griffith grounded out to end the inning.

In the fifth inning, Charles O'Toole, leading off, was safe on an error by Tran, who was then playing shortstop for the Gaels. Bailey began to lose (Continued on Page 3, Col. 3)

## Reorganization Experts

University Information Please experts will enlighten students on questions about ASUC reorganization at 7 p.m. today in room 2000, Life Sciences building. They are, left to right, ART HARRIS '36, JOHN McPHERSON '41, JIM WALLER '42 and KEN PRIESTLEY, ASUC general manager.

## Budget Hearings May Conclude This Week

James H. Corley, comptroller, who returned to the campus for a short visit yesterday, said that the sub-committee of the Senate Finance committee is not likely to conclude its hearings on the University budget before the end of the week.

The committee, formed to investigate all educational problems in the state, is currently engaged in accumulating facts connected with the University's appropriation request.

Corley and members of the sub-committee have been going over the University's request item by item. They will continue the investigation tomorrow.

Gov. Culbert L. Olson, visiting the campus yesterday, said that he would oppose any further reductions in the University budget.

"The University appropriation is fair and honest as it now rests," he said. "If the legislature makes any reductions in the budget, it is unlikely that this money will be regained through any special request made at a later date."

Consideration of the budget will be left up to the legislature.

## Symposium Debaters

Attempting to decide the question, "Who Is to Pay for Preparedness?" Varsity debaters ROY GIORDANO '41, left, and DICK MOORE '41, right, will participate in a four-student symposium at 8 p.m. today in room 11, Wheeler hall. Questions from the floor will be answered by the student speakers.

## Employers Minimize Effects of Draft on Job Opportunities

Prospects of being called for military service will not handicap University students seeking employment after graduation, a group of 19 bay region sales executives agreed at the vocational conference last night.

The draft will not prevent any man who has the qualifications for a job from obtaining it, was the consensus of the employers. However, an increasing importance of women in employment was forecast.

Four members of a panel of sales managers who spoke to senior and junior men and women on "Selling as a Career" expressed opinions of the

## 'Information Please' Forum To Discuss Reorganization

ASUC reorganization will be explained in its practical and theoretical aspects and a debate over the objections of Athletics council will be held at "Information Please," a student forum at 7 p.m. today in room 2000, Life Sciences building.

Five members of the Reorganization committee will speak on the plan, after which the program will be turned over to questions from the audience.

John McPherson '41, ASUC president, who will preside at the meeting, urged students to come in order to "understand the purpose and procedure of reorganization."

"Information Please" will afford opportunity for thorough discussion by members of the student body with qualified members of the reorganization committee," he said.

Speakers will be Sarita Henderson '41, editor of The Californian; McPherson; Art Harris '36, former ASUC president and member of the Bureau of Public Administration; Kenneth Priestley, ASUC general manager; and Jim Waller '42, junior class president.

Speakers in the debate over Athletics council's objections to the plan will be two members from the newly-formed Committee for Organization of Reorganization and two members of Athletics council.

## Town Hall Will Consider Reorganization Tomorrow

Town Hall will meet at 12:10 p.m. tomorrow to discuss the ASUC reorganization plan.

Arthur Harris '36 of the Bureau of Public Administration and Sarita Henderson '41, editor of The Californian will speak.

## Engineer Estimators

Guessing the number of shells in the jar in hopes of winning a free bid to the Engineers' Pre-Draft Spring dance, March 14, at the Berkeley Country Club are left to right, DOUGLAS SALMI '41, DAN DRAKE '41, CHARLES ROSENTHAL '42, CLAIRE CROUGHAN '41, and MARGARET FOSTER '41.

## Dr. Niebuhr To Speak At University Meeting

Theologian and author, Dr. Reinhold Niebuhr will speak to University students at 11:30 a.m. tomorrow in the Gymnasium for Men.

Professor of applied Christianity at the Union Theological seminary and Earl Foundation lecturer, Dr. Niebuhr is the author of "Does Civilization Need Religion?"

Robert Turner '42, pianist, will play Johann Hummel's Rondo in E flat and Chopin's Polonaise in A flat. President Robert Gordon Sproul will preside.

## Senior Week Privilege Sales Begin Today

Privileges for the class of '41 Senior Week entitled "Play's the Thing" or "No Mother to Guide Them," will go on sale today for \$5.50 in Eshleman court.

Seniors may pay a first assessment of \$3.50 with the remaining \$2 payable before April 16.

A preview of Senior Week events will take place at 7:30 p.m. at the third Senior Sing of the semester in the men's clubrooms, Stephens Union.

**MOVIES SCHEDULED**  
Technicolor movies of last year's Senior Week events will open the program, and free cokes and cigarettes will be distributed.

Complete privileges for the Week's events which begin with Baccalaureate services on May 18 and close with the Senior Ball on May 24 may also be obtained by a \$5 down payment on a \$60 life membership in the Alumni association, Robert Sibley '43, executive manager of the association, announced.

**CAP AND GOWN PROVIDED**  
In addition, the down payment entitles seniors to use of cap and gown free, Sibley said. Second installments on the life membership will be due May 1, and the third on June 15.

The remaining cost may be paid in annual installments plus a six percent interest charge on the unpaid balance.

Senior life membership funds will be earmarked by the association as part of the \$200,000 fund pledged to the Regents for a new dormitory.

## Coach Will Speak at Alpha Zeta Smoker

Alpha Zeta, agriculture honor society, will hold an invitational smoker at 7:30 p.m. tomorrow in Senior Men's hall. Brutus Hamilton, track coach, will be the principal speaker.

## State Senate Reviews Blind Pension Notice; Need for The Californian's Fund May Increase

While The Californian receives daily contributions toward the Blind Students' fund, a majority of the 18 blind students enrolled are worrying over a recent notice now before the State Senate concerning personal allotments.

Under California pension laws, blind persons are allowed a \$50 monthly pension aside from a possible \$400 yearly income from private sources. There are no deductions made for this income which is completely separate from the pension allotments.

The present arrangement allows them to take positions so they may gain experience and become self-supporting when they leave the University.

The recommendation received from the Social Security board in Washington, D. C., reads in part: "... the state shall in determining need of persons applying for aid to the needy blind take into consideration all income and resources of the individual."

Dr. Newell Perry, director of advanced studies at the California School for the Blind, said, "Potentially this bill will affect the students enrolled in the University. If the recommendation is favored by the Senate, it will necessitate even more use of the fund established by The Californian."

## State May Reorganize Education

### Recommendations Of Council Will Affect Regents

Special to The Californian.

SACRAMENTO, March 11 (UP) Recommendation that the University Board of Regents and the State Board of Education be consolidated into one board to oversee all state education will be made by the council on educational planning and coordination, Dr. Walter Dexter, co-chairman of the council, said yesterday.

Other Sacramento sources understood the overseeing board would have two chief executives, a state director of universities and a director of educational institutions less than university rank. It was believed the board would have specific terms of office and would determine all policy.

**REGIONAL UNIVERSITIES**  
The present state colleges are expected to become regional universities, each with a separate president, governing board and budget.

The new institutions would probably grant master's degrees with an extra year of training. Doctors' degrees, however, would be awarded only by the University at Berkeley and Los Angeles, and private universities.

**PETTIT DRAFTS REPORT**  
The council on educational planning and coordination met on January 7 when it agreed on recommendations. George A. Pettitt, assistant to the president and secretary of the council, will help draft a comprehensive report which will probably be submitted to the legislature during its present session.

President Robert Gordon Sproul is also co-chairman of the council, which was authorized in 1939 to recommend long-range policy for state education. Specific instruction was given the group to investigate the advisability of establishing additional University branches at Santa Barbara and/or in the San Joaquin valley.

**POSTPONES ACTION**  
A legislative committee postponed action on a bill to make Santa Barbara State college a branch of the University was postponed yesterday when Gardner Johnson, Berkeley assemblyman, requested the committee to await the council's report.

Dexter said the bill might be unconstitutional because it gave the legislature the power to create a University branch at Santa Barbara.

## TO THE MEMBERS OF THE CLASS OF 1941

### FELLOW CALIFORNIANS—

This is a time in which men are banding together, wherever they are, to hold for themselves those things which are most precious. And we who are Fellow Californians place high in our purposes the guarding of the future of our University—the symbol of our way of life. We know that joined together in organized service we cannot, must not fail.

We salute you, then, you who are now ready to enter upon organized service to Alma Mater through California Alumni Association—and at the same time, as we watch you approaching graduation, we are grateful, we are humble.

We are humble, because we realize how much more you are in a position to do than those of us who went before you. We are grateful, for we already know that your class is united in its desire to serve. And so, it is with all pride and confidence that we watch you enter the ranks of alumni serving University of California.

Your class has already joined the classes of 1938, 1939, and 1940 before you in aiding the Regents of the University to construct new dormitories. California Alumni Association has agreed that all Life Membership Endowment Funds from these classes will be earmarked for use as part of a \$200,000 refunding loan to be made to the Regents for dormitory construction for future Californians.

But your Life Memberships will ensure other things—continual organized alumni support of the University in legislative matters, maintenance of extensive regional alumni organization, the awarding of 80 Freshman Scholarships each year, the publication of a truly great alumni magazine—California Monthly, support of the Bureau of Occupations, sponsorship of the University Explorer radio program, and many other vital activities of organized alumni.

We welcome you, then, Class of 1941, as you enter life-long service to a great University. Together we will succeed in keeping California in its present ranking at the head of American universities, no matter what difficulties and dangers lie ahead.

Sincerely,  
CHARLES STETSON WHEELER, JR. '12, President.  
ROBERT SIBLEY '03, Executive Manager.

CALIFORNIA ALUMNI ASSOCIATION

## Nation's Ideals Outlined by Governor Olson

Gov. Culbert L. Olson yesterday told students that "American civilization is only as ready to progress as are the citizens of America to perform their duties as citizens."

Speaking before approximately 1,850 students in a lecture for American Civilization 101, the governor sketched his conception of the ideals of American civilization. He urged students to "take part in intelligent control of the government instead of allowing that control to be vested in self-seeking groups."

"It is not easy to maintain democracy," Governor Olson said. "Our

Commenting on the Tenney investigation of subversive activities in state institutions, Gov. Culbert L. Olson said such inquiries were not the way to break young people away from the Communist party.

"I believe appeal is more effective than an investigation which ferrets them out and holds them up to contempt," the governor said.

trouble today is in the people's lack of attention or intelligent analysis of political issues, their mental laziness with regard to their responsibilities as citizens.

The civilizations of the rest of the world are "not surviving," Governor Olson declared, because of the hatreds inherent in their traditions and conditions and because of the continued promotion of the idea of domination and exploitation of one race over another.

Governor Olson deplored the "sincere and even fanatic young people who have come to the conclusion that only revolutionary methods can uproot an undesirable economic order."

"I hope the people in these groups will abandon them for their American democracy and will lead in the establishment of an economic and social order which will further the peace and well-being of everyone in our American life," he said.

## Lunar Eclipse

At 2:55 a.m. tomorrow the moon will undergo a partial eclipse, the earth's shadow gradually covering a third of the surface of the moon. It will be complete at 4:56 a.m.

The eclipse will be visible only in the Far West, as the moon will set shortly after 6 a.m.—just before sunrise.

# Grin and Bear It

By Lichty

"Madam, this is the complaint department—we haven't any 'other departments!'"

# 'Democracy as Defense' to Be Keynote of CYL Convention

"Our Democracy Is Our Defense" will be the keynote of a three-day program for the annual statewide California Youth Legislature convention, to be held Friday, Saturday and Sunday at Longfellow school, Montgomery and Ward streets.

Round-tables will be held on peace, jobs and education, health and recreation, conscription, civil and academic liberties and housing.

### CONVENTION SCHEDULE

Following is a complete schedule for convention activities:

Friday: 4 to 8 p.m., registration of delegates; 7:45 to 8 p.m., community singing; 8 to 10 p.m., a pageant on "Our Democracy Is Our Defense."

Saturday: 8 to 10 a.m., registration; 10 a.m. to 12 m., opening session, including the invocation, election of convention committees. Charles Rosenenthal '38, CYL president, will deliver the speech on "Our Democracy Is Our Defense."

### YOUTH CONGRESS REPORT

A report on the American Youth Congress Town Hall will be given by Helen Wheeler, CYL legislative chairman.

Afternoon, 1:30 to 5 p.m., round-tables; 7:15 to 7:30 p.m., community singing; 7:30 to 10 p.m., peace symposium and round-table.

Sunday: 9:30 to 10:30 a.m., interfaith service; 10:30 a.m. to 12:30 p.m., round-table reports; 1:30 to 2 p.m., community round-tables; 2 to 4 p.m., business session, including the election of officers, reports of convention committees; 4 p.m., adjournment.

### Staff Cuts on California Folio Announced; Fifty-Nine Remain

Cuts on the California Folio staff were announced yesterday. Those remaining on the staff are:

Graduate: Steinberg; seniors: Bolster, Flavin, Glickfield, Moore, Reichert, Vuill-Thornton, Hughson, Johnson, Little. Juniors: Jencks, Matson, Parkinson, Peterson, Rook, Saxon, Soens, Wainright, Droste, Haber, Hartman, Hodgkinson, Hughes, Klingman, Kynoch, Schaefer, Wall, Wistuba, Woodson.

Sophomores: Klahn, Martin-bobish, Millsbaugh, Barker, Breschini, Chathfield, Edwards, Guyer, Hall, Jenkins, Lazarus, MacFadyen, McGlinchey, Markovits, Tank.

Freshmen: Belousovitch, Davis, Gray, Kramer, Carlin, Dudley, Fowler, Giddens, Gordon, Guilbert, Herlinger, Jensen, Middleton, Pine, Wood.

### Nearly Half of 'Cinches' Issued Await Owners

Although 100 more delinquency notices were distributed yesterday, over 45 per cent of the 5,860 cinches for the first midterm period are unclaimed, the registrar's office announced yesterday.

# Fashion Show Tops List of Day's Activities

A fashion show and a phonograph concert top today's activity program.

Pelican will present an Easter fashion show at 3 p.m. today in Eshleman auditorium. Yvonne Hansen will play the piano accompaniment while 18 beautiful models display clothes from 10 bay region stores.

A recorded Symphony Hour at 4 p.m. in the Memorial room of Stephens Union will feature Mozart's Piano Concerto, K. 450, and Debussy's Quartet, opus 10.

Thalban will present its first double bill of the semester at 4 p.m. tomorrow in Wheeler auditorium with some brand new actors. The plays are "Lilith" and "Speaking Terms."

# Enfranchisement to Be Omitted From Ballot In Friday's Election

John McPherson '41, ASUC president, yesterday declared that enfranchisement would not be placed upon ballots with the reorganization amendment in the election Friday.

The statement was made in reply to requests by the American Student Union that the enfranchisement amendment be voted upon in conjunction with reorganization if petitions were submitted for Executive committee approval today.

Because of the decision, petitions for enfranchisement will not be submitted until after the reorganization election, Harriet Rappaport '41, ASU president, said.

Under the ASUC constitution, the president is required to call an election to be held within 15 days of the filing of petitions.

Explaining his decision, McPherson expressed the belief that the two days between approval of petitions and balloting on the issue, should the date be set for Friday, would not allow students sufficient time to study the broad aspects of enfranchisement.

# More News on Conference

(Continued From Page 1)

number of persons it employs will largely determine the emphasis to be placed on military duty liability. Ernest L. Mathy, vice-president of the Victor Equipment company, explained.

"Every firm with which I have had contact in recent months has emphasized the importance of the draft when considering a prospective employee," Robert W. Adams, sales manager of Don Lee, Inc., stated.

Expenditure of time and money in training men who must answer the draft call is worthwhile, maintained Joel Geddes of the Aetna Casualty and Surety Co., if the employee will return at the end of a year.

"Women may take the place of many men in inside jobs," Geddes predicted.

"Women today can do anything they have to do to keep the country going," added Charles L. MacLeod, sales manager of the Schmidt Lithograph company.

Miss Lou Elliot, department manager of the Consolidated Millinery corporation, confirmed his opinion. She felt the draft would have little effect on anyone seeking employment before or after military service.

# 'Lieutenant Bars' Given To ROTC Instructor

First lieutenant bars were presented to Lieut. Wesley C. Hurley, corps of engineers, as a token of esteem on his recent promotion to his position. In a review staged before the Engineer Battalion yesterday.

Lieutenant Hurley, an instructor in military science and tactics, has been on duty with the Engineer ROTC unit here since last June.

# What's Doing Today—

**CRIMINOLOGY CLUB** will meet at 7:30 p.m. in room 212, Wheeler hall. John C. R. MacDonald, inspector of the Oakland police department and author of "Crime Is a Business," will speak on rackets and confidence schemes.

**WESLEY FOUNDATION** will hold a meeting at 12 m. in Trinity hall. Dana avenue and Bancroft way. Karl Downs will speak. All students are invited to come and bring their lunch.

**JUNIOR INFORMAL**, publicity committee, will meet at 3 p.m. in room 105, Eshleman hall.

**ENGLISH CLUB** will hold a meeting at 8 p.m. in the Women's club-rooms of Stephens Union. Prof. Jacob Loewenberg, chairman of the philosophy department, will speak on "The Comic as Tragic."

**INTERCHURCH COUNCIL** will meet at 4 p.m. for tea in the YWCA cottage. The speaker will be Dr. Reinhold Niebuhr. Everyone is welcome to attend.

**PLYMOUTH HOUSE** will meet at 12 m. at the clubhouse, Durant and Dana streets. A discussion group, led by Art Cassidy, will discuss "Comments on the Commentators." All interested students are invited to urged to bring their lunches. Coffee will be served.

**SPEAKERS' BUREAU** of the ASUC Bureau of Public Relations, will meet at 4:10 p.m. in room 2000, Life Sciences building.

**SOPHOMORE BARN DANCE**, sales committee, will meet at 4 p.m. at the covered wagon in Eshleman court.

**ORGANIZATION - VISITATIONS COMMITTEE** will meet at 4 p.m. in room-104, Wheeler hall. Interested students are invited to attend.

**LITTLE THEATRE MAKE-UP** staff will meet at 4 p.m. in rooms 1 to 4, in Eshleman hall.

**WAA FENCING BOARD** will meet at 4 p.m. in room 224, Hearst gymnasium.

**WAA INTRAMURAL BOARD** will meet at 7 p.m. in the Alpha Chi Omega house, 1756 LeRoy avenue.

**WAA COUNCIL** will meet at 12 m. in the Council room of Stephens Union.

**ELECTIONS COUNCIL** will hold a compulsory meeting at 4 p.m. in room 101, Wheeler hall. Signups must be made for working hours for Friday election.

**ASUC PEACE COMMITTEE** will meet in room 111, Eshleman hall.

**PHRATERES** will meet at 4 p.m. in room 120, Wheeler hall. Attendance is compulsory.

**AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS** will meet at 7:30 p.m. in room 105, Engineering building.

**FOLIO ART STAFF** will meet at 4 p.m. in room 111, Eshleman hall.

# Transportation Facilities to Be Improved

Adequate transportation facilities will be provided for Berkeley commuters, including several thousand University students, when the Interurban Electric railroad abandons its transbay passenger service April 1. P. W. Woodcock, Key System executive, disclosed yesterday.

The Key System withdrew an offer to use state-owned IER equipment in notifying Frank W. Clark, state director of public works, that it had made other arrangements to provide transportation.

Woodcock said his company would file with the state, notice of the new transportation facilities within a few days. He did not disclose what the facilities would include.

A general revision for a large part of Berkeley's transportation service is planned, Woodcock said. This will include street cars and buses as well as transbay trains.

Among the changes will be inauguration of a universal transfer system for the entire East bay, he explained.

Passengers for San Francisco may board any street car or bus and pay the transbay fare there. A transfer will be issued for use on the trains. Transfers will also be issued on the trains for use on busses and street cars.

# Housing Report Given to Board

A report on student cooperative housing at the University, the result of more than a semester's study, was presented to the ASUC Housing board meeting yesterday by Ray Peter '41 and Dick Neil '41, co-chairmen of the cooperative committee.

The study contains 26 pages and six graphs. A comprehensive analysis of the facts and data contained in the report will be given in tomorrow's Californian.

The special Housing board committee on the North Berkeley racial discrimination covenant stated that signatures of 10 or more Berkeley civic leaders would be sought for an anti-covenant statement prepared by George P. Adams, professor of philosophy; James R. Caldwell, associate professor of English, and Alexander M. Kidd, professor of law.

# Measles Confine 17 to Cowell TOLL RISES IN STUDENT SKI ACCIDENTS

German measles reached epidemic proportions on the campus this week as 17 patients were confined in Cowell Memorial hospital, Dr. William G. Donald, University physician, reported yesterday.

Most of these cases were members of the Alpha Phi sorority house. Five patients were dismissed yesterday, and no new cases were interred.

The disease is less serious than ordinary measles, Dr. Donald said, although it is highly contagious.

Students exposed to the disease are being checked daily by Cowell physicians. The incubation period is from 24 to 48 hours. Colds, soreness in glands behind the ears, and a rash are symptoms

of German measles. Students who note these discomforts should report to the hospital immediately, Dr. Donald said.

Skating and broken bones are becoming synonymous in the vocabularies of Cowell Memorial hospital nurses and physicians.

The hospital is now receiving 15 ski patients a week—a record in Cowell history, Dr. Donald said.

The injuries range from fractured ankles, knees and shoulders to broken arms and legs. Two or three students a week have critical injuries, so critical in some cases, Dr. Donald said, that operations are necessary. Others are dismissed after treatment.

# Rival Universities to Observe Anniversaries at Joint Banquet

Stanford and the University will jointly celebrate their respective anniversaries at the seventy-third annual Charter banquet, at 7 p.m. Thursday, March 27, at the Palace hotel in San Francisco.

Dr. Ray Lyman Wilbur, president of Stanford university; President Robert Gordon Sproul and Gov. Culbert L. Olson will speak. Alumni of both universities will be invited.

Planned by the Alumni association, the formal dinner dance will cost \$2.58 per person. Reservations should be made at the Alumni office, room 402, Stephens Union.

Members of the San Francisco Charter Dinner committee are: Charles Stetson Wheeler Jr., Alumni association president; Robert Sibley, executive manager; William F. Calkins, California Monthly managing editor; Mrs. Charlotte Ham Carlson, reception committee chairman; Mrs. Mabel B. Dolcini, pharmacy alumni president; Clamond A. Perry, pharmacy alumni secretary; Eliza Avellar, nursing alumni president.

# Plan to Reopen Strawberry Pool Praised

Whether it was the warm temperature or the recognition of a good idea, ASUC leaders yesterday took to the suggestion of opening Strawberry pool to coeducational swimming.

A student campaign to reopen the pool, heretofore open only to men, but closed in the past two years, is now being promoted by John Alegria '42, assistant varsity yell leader.

Since the pool was built in about 1911, women traditionally have been barred from using it. Though it would mean relinquishing their outdoor sanctuary, the men favored coeducational swimming, too.

First student action toward reopening the pool will be planned at 3 p.m. Friday in the council rooms of Stephens Union. Alegria will confer with all students interested in working cooperatively on the plan.

# Davis Will Celebrate Dairy Day Tomorrow

Dairymen and professors of agriculture from all parts of California will attend the annual Dairy day tomorrow on the Davis campus of the University.

Claude B. Hutchison, dean of the college of agriculture, will represent the Berkeley campus at the conference. College of agriculture staff members at Davis who will speak at the meeting are Dr. Morris A. Stewart, Dr. Hugh S. Cameron, Dr. Elmer H. Hughes, and Prof. Sylvester W. Mead.

**LITTLE THEATRE PRESENTS**

**"HOTEL UNIVERSE"**

March 21 and 22 Wheeler Hall

With Bruce Lee '41  
Yesterday's sports events might be construed as an indication that California is definitely on the uprise in the world of sports.

For yesterday, after Varsity track Co-captain Clarence Barnes' amazing 1:51.9 half-mile dash, and after the Varsity baseball team's smashing victory over St. Mary's by an 8-1 count, the handwriting on the wall seems to be very apparent. During the last couple of years, California teams have been taking it pretty consistently on the chin. We don't mean to start crowing now, but the Golden Bear baseball club and track team sure seem to be high-balling down the straightway.

**BEST COLLEGE CLUB?**  
A sportswriter on one of the metropolitan papers commented after watching yesterday's St. Mary's-Cal game, that the Bears had one of the best college teams that he had ever seen.

Now this takes in quite a good deal of territory. For the 1938 Varsity that won the CIBA crown and mopped up on just about everyone on its eastern tour was just about as good as they come. It was in 1938, if you'll remember, that Sam Chapman, Bob McNamara, Tony Lombardi, Mel Duerabou, Bill Priest, and several other California stars performed.

However, we're inclined to agree with the metropolitan writer—with reservations. Let's say that this outfit is POTENTIALLY one of the greatest of college ball clubs.

**A GREAT OUTFIT**  
The more the Varsity track team practices, the more apparent it becomes that the cindermen are going to open their 1941 campaign with one of the greatest outfits in California track history.

Especially in the middle-distances are the Bears without equal this year. When you get a gang together such as Barnes, Grover Klemmer, Dick Peter, Wes and Warren Craig, Fay Froom, Shirley Summers, John Reese, and Bob Hogan, you're really got something.

For instance, Klemmer has run the 440 in 47 flat, Froom in 47.6. Reese in 47.8, and Barnes in 47.3. In the half-mile jaunt, Barnes returned in that 1:51.9 time yesterday, Peter, 1:52.5, Reese 1:54, and Wes Craig 1:55.3, and Klemmer hit 1:53.5 last year.

Now if only the football team will hit the top again, we can die happy.

**A SHIFT FOR THE BEARS**  
Coach Stub Allison is not overly optimistic concerning this possibility yesterday. However, he's completely renovated the California offense and defense in the spring grid sessions that are being held daily.

The 1941 Varsity football squad will take the field with the benefit of possessing a shift. We who are accustomed to seeing the Golden Bears line up on offense ready to start play, will probably be overcome with surprise to see a California team shifting.

But there it is. Under the new system, any one of three backfield men are in a position to receive the ball from center, and run, pass or kick. Slightly different from the old system of the ball going to the tailback, eh what?

**GUARDS SHIFT TOO**  
Also, the two guards will be doing a bit of shifting up on the line. This is to enable the Varsity to shift into a balanced line, or an unbalanced line either to the right or the left.

Whether this new system of Allison's is planned to take the place of the notorious "rocker shift," recently banned, is open to debate. Personally, we don't think so. We believe that Stub is just doing everything possible to get the Golden Bears on the top of the heap again.

The first scrimmage of spring practice will be held today, and we plan to be among the attendants so that we can see just how successful the new shift will be.

Of course, we expect things to be a bit rough this early, but fundamentally, the Varsity will be watching today will be the one that will be playing next fall.

# Barnes Cracks Record With 1:51.9 Half Mile

## Varsity Captain Bests Mark in Unofficial Trial

Dick Peter Nosed Out At Tape After Holding Lead From Starting Gun

By Norrie West '42  
Clarence Barnes, Varsity quarter-mile, ran a 1:51.9 half-mile yesterday, to unofficially break the California school record. The official 800 standard is 1:53.2, set by Charles Miller in 1938.

Two other 440 men, Grover Klemmer and Bob Hogan, didn't enter the race, yet Barnes had his hands full beating miler Dick Peter, who finished second.

Peter led for almost the entire distance, but Barnes caught him 50 yards from home and had a two-yard margin at the tape. Peter's time was estimated by Coach Brutus Hamilton as "about 1:52.5," also lower than the accepted mark.

**GIRARD RUNS**  
John Reese was third, Mushy Girard, not a regular Varsity runner, was fourth, Shirley Summers, fifth, Wes Craig sixth, George Richards seventh, and Warren Craig was eighth.

Barnes' effort was noteworthy for two reasons.

First, it was only his third attempt at the two-lap race. Previously he had confined himself to the quarter, where he ran 47.3 last year.

Second, it was one of the fastest half-miles ever run on the Edwards stadium track. The record for the stadium is 1:50.3, established by John Woodruff in the 1937 NCAA meet.

**CONDITIONS PERFECT**  
Hamilton was naturally pleased. He said that conditions were "perfect" for such a run, and that he expected Barnes, co-captain of the track team, to turn in a faster 880 than yesterday's, before the season is over.

The Bear track meet pointed out that even Wesley Craig, the sixth man, finished in 1:55.3. Disregarding Girard, who is an ex-Stanford miler and not eligible here, there were four California men who ran under 1:55.

Six more time-trials are slated for tomorrow, Hamilton announced yesterday. The events are the 100, 440, high hurdles, 220, low hurdles, and the 1320-yard run.

## Intramural Parade

Delta Tau Delta became the undisputed champions of the 1940-41 National League basketball tourney when they won a low scoring 15-12 victory over the Theta Xi team yesterday.

George Parrish and Harry Talbat starred for the victors, while Jack Podesta and George Clute played well for the losers.

Forty-two teams were entered in the tourney at the beginning of the season.

Back in the softball world the SAEs took Sigma Phi to the cleaners with an 11-1 victory, and Kappa Alpha shut out the Chi Phis 7-0. North Lynne was on the long end of a 5-2 score over Hawthorne and the Kappa Sigs put on the pressure to beat the Phi Kappa Tau team 7-0.

In tennis the Phi Deltas beat Sigma Chi 2-1 and the Lambda Chi Alpha squad got the best of the Alpha Deltas by the same score.

In ping pong Pi Lambda Phi blasted the Fijis off the court with a 2-1 win.

**GRAPPLERS WILL ENTER PAAU TOURNAMENT**  
California's wrestlers will participate in the PAAU meet Friday and Saturday in San Francisco, Coach Henry Stone announced yesterday.

The Blue and Gold wrestlers, defeated but once this season, will be competing against the cream of the Northern California crop of grapplers, including Stanford, San Jose State, and various athletic clubs and YMCA's.

California's Varsity quintets have captured the Pacific Coast Conference crown seven times, tied for top honors twice.

## Albany Horsehiders Wallop Frosh 5-3; Cougars Bunch 4 Hits in Final Inning to Win

By Stan Meyrell '44  
Coming from behind with a four-run outburst in the final inning, Albany high school's baseballers trounced the California frosh, 5-3, yesterday on Hillgard field.

For five frames, Cub moundsman Joe Katz subdued the Albany hitters, allowing only two men to reach first base. He walked the first man to face him, gave up a hit in the second, and then settled down to pitch perfect ball. When he was replaced in the fifth, he had faced only 17 batters.

In the meantime, the freshmen were coasting along with a comfortable three-run lead. California tallied twice in the first canto. Bob Weeks singled, Doug Donnan was safe on an error, and both crossed the platter on a long hit by Mario Rodriguez.

**FROSH SCORE AGAIN**  
The yearlings drew blood again in the second inning. Bud Bennett singled and went to second on John Luque's sacrifice. A moment later Weeks drove Bennett home with a hit through shortstop.

The Cougars came to life in the sixth frame, pushing across a run with a walk, a stolen base, and a single off relief twirler George Yamor.

**ALBANY SCORES**  
In the first half of the seventh, Albany went to work in earnest, heling Yamor's slants all over the lot. Before Yamor succeeded in retiring the side, the Cougar barrage had accounted for four runs on five hits and a walk.

Finding their opponents with a 5-3 advantage, the frosh tried to salvage the game in their half of the inning. With two men out Donnan reached first on an Albany miscue, and stole second, but he was caught napping off the bag for the last out.

**Boxers to End Season Friday**  
Pointing for the California Assie boxing matches Friday, which will end the 1941 season for the Bears as well as giving the Varsity another crack at the Aggies, the squad will take its last stiff workout of the week this afternoon.

At the last meeting of the two teams, the Davis squad eked out a 5-4 win.

## 'Thar She Blows' Gaels Arrive as Foghorn Sounds Off

"My real name is Mamie Joseph but the kids at Cal call me 'The Foghorn'."

It was the famous Mamie, long time protagonist of St. Mary's baseball team speaking in a voice grown hoarse from throwing verbal barbs at the University's rooting section, baseball coach Clint Evans, and the team itself yesterday afternoon.

Half of the spectators came to see the California-St. Mary's baseball tilt, but the other half probably came to see and hear the buxom lady rooster.

"Why don't you have a plumbing job done on those pipes?" called a University rooster.

"You come over and do it yourself," answered the irrepressible Mamie.

"Tramps, bums, hams!" she shrieked. "Hey, Clint, open that glass eye. You'll be on the WPA next year, Clint. You can't buy me with two tickets."

Evans had sent her two free tickets to the Oakland-California baseball game on April 21.

Mamie was asked how long she had been following the St. Mary's baseball team. "Oh as long as I've been able to walk," she answered.

About 25 years?

"Why, honey," she quipped, "I'm only 16."

At the last meeting of the two teams, the Davis squad eked out a 5-4 win.

## Frosh Natators Lose Meet to Yellowjackets

Lack of Good Freestyle And Diving Men Costs Victory, Says Dowden

Out-splashed by Berkeley High school's swimming squad, 36-26, the freshman tanksters absorbed their third defeat of the season yesterday afternoon in California pool.

But the final outcome of the meet was in doubt until the last event was completed.

**MEET CLOSE**  
Victory for either squad depended upon the result of the 200-yard, four-man relay and the seven points that went with it. But the Yellowjacket relay team of Ted Sander, Tom McCarthy, Fred Lee and Bill Wright came through to clinch the meet for the preppers.

Three firsts scored by Vic Wallberg, Amos Schwartz, Al Sheeran, and the frosh medley relay team win accounted for most of the 26 markers the Cubs scored.

**FROSH WIN**  
The yearling natators drew first blood in the meet swim under high school regulations, when Wallberg won the 50-yard free style. Schwartz followed up with a victory in the 100-yard breaststroke.

Later Sheeran copped the 100-yard backstroke inches ahead of Berkeley High's Dick Seymour. Sheeran and Schwartz teamed up with Bob Griffin to win the 150-yard medley relay.

Summary:  
100 yd. free style, Wallberg, 1:07.5.  
100 yd. breaststroke, Schwartz, 2:05.0.  
100 yd. backstroke, Sheeran, 2:05.0.  
150 yd. medley relay, California, 5:30.0.  
200 yd. four man relay, Berkeley, 1:49.2.

# Crewmen to Row 60 Miles Before Saturday in Prep for Opener Against Oregon State

By Bert Nelson '42

Sixty miles by Saturday. That's the slogan under which six shell leads of Varsity crewmen are working this week in order to bring their training program up to schedule.

The first race of the season, against Oregon State, is but a week off, the weather is fine, and there is no sickness on the Bear squad. So what could Coach Ky Ebright do but declare the heaviest workout of the year.

Scheduled for this week are workouts which will total 50 miles at least, and which Ebright hopes will reach the 60 mile mark. The California record for six days of work is 65 miles but Ebright believes that distance is a little too far for the Bears at present.

Monday the Blue and Gold navy returned to work with a vengeance, rowing 12 miles at a beat of 20 on the placid Oakland estuary. Except for Friday, distances for the rest of the week will be nearly as long.

On Friday the oarsmen are scheduled to travel the three-mile racing course but will use just the low practice beat of 20 strokes per minute as compared with competitive timing which calls for an average of 30.

In the meantime Ebright will continue to make minor daily changes in the personnel of the boats.

## California 145's Defeat Coppus Christi Five; Advance in Tournament

Bouncing back from their opening round defeat, the California 145's pulverized Coppus Christi of San Francisco, 58-26, in their second round contest of the Current P.A. lightweight cage tourney last night at the Gymnasium for Men.

Coppus Christi took an early 3-2 lead, but after that the Bears started rolling and amassed a 38-5 margin at half-time. Coach Dick Griffin substituted freely throughout the game.

Jack Fitchow, forward, topped the California scoring row with 12 points. "Tiny" Ervin starred for the losers with eight.

## Sam Chapman Gets Two Homers, Triple

ONTARIO, Calif., March 11 (UP)—Sam Chapman today hit two home runs and a triple as the Philadelphia Athletics defeated Los Angeles of the Pacific Coast League, 9-3. Rain washed out the game after five innings.

## More News on Baseball

(Continued From Page 1)  
control over his pitches and one hit Hoberg. Earl Sheely, St. Mary's coach, decided to move Tran onto the mound and bring Darryl Reynolds in from right field to replace Tran.

Ambling bunted and was out at first, but the play sent O'Toole to third and Hoberg to second. Jacobson walked to load the bases. With Albright at bat, Bob Cardoza, St. Mary's catcher, tried to catch O'Toole off third, but Bud Pierevich missed the throw and O'Toole scored.

On the play, the runners advanced and a sacrifice fly to left brought Hoberg across the plate. Ken Norris walked and Koll pounded his third hit of the day into left to score Jacobson.

In the eighth Griffith came home for the Bears' last run on a sacrifice fly to left by Hoberg. Griffith doubled to get on base and took third on a wild pitch by Tran.

## Jaysee Ace to Compete Here

Fred Van Dyke, one of the nation's top backstroke stars, will highlight the Streckton JC swimming team that meets California here Saturday.

Comparative times indicate he won't be too closely pressed by Gay Maelise, Bear captain, who is nominally a free styler but has shifted to fill in the team's weak event, the backstroke.

Van Dyke, who has placed in national meets in the backstroke, will probably swim the 220 free style Saturday in addition to his regular event. He has registered about 2:20 for the 100.

The California team would have the services of Van Dyke but for an unfortunate mixup in scholastic credits. The backstroke star came here from College of Pacific last fall to enter the University. He got a B average in Extension but found that some of his courses at COP wouldn't be accepted and so had to return to junior college.

## Orville Hatcher Leaves School

Orv Hatcher, left halfback on last year's Varsity football team, yesterday took a leave of absence from school for the remainder of the semester.

Hatcher, who injured his knee in rugby this spring, will return for both interseason and Summer session to complete this semester's work. He will enroll again in the fall.

Coach Stub Allison said he did not know whether Hatcher's ailing knee would prohibit the speedy backfield star from playing football this year, and that doctors would determine the extent of his injury soon.

A Fullback on Executive Committee

Athletic council's three point justification of its campaign to retain a seat on Executive committee leads to some interesting conclusions if carried to its logical termination.

ating council, represents nearly 5000 co-ed card holders. The four class presidents, who would also sit with activity representatives, are elected from groups more numerous than the athletes.

Keep Our Readers On Campus

In a University the size of California where class enrollments often number in the hundreds, readers and teaching assistants play a vital role in the education of the students.

Let Complete Enfranchisement Die!

With the enfranchisement proposal again bursting into ASUC limelight comes the fundamental question of whether non-ASUC card holders have the right to expect a voice in the selection of ASUC leaders.

The assistant's salary of \$650 is hardly enough to meet the basic necessities of life when it is considered that many of the group are married and must support their wives too.

A classic is something that everybody wants to have read and nobody wants to read.—Mark Twain.

The Californiac

AMONG the many types of persons who once attended this University were the forensics type and the athletic type.

At this particular time, the campus was concerned with a grave issue, that of reorganizing the student Executive committee.

Now the forensics men, realizing that they owed their place on campus to their wits and their tongues, thought of a terrific way of making the athletes look foolish.

As expected, the athletes were forced to accept. "But," said one smarter than the rest, "you guys challenged us because you knew you would stand the advantage."

"Oh, how you talk! Ha ha ha ha," the forensics men laughed in answer. Their smirks, however, showed that they agreed.

Then the athlete gave his brilliant comeback retort. "You got us all right, but you have to play our game too. We hereby challenge the debating team to a game of football—to be played this afternoon."

The forensics man objected. "We didn't want you to debate until tonight and besides we don't know anything about football," he said.

As might be expected, however, the forensics men didn't dare refuse the challenge either.

And because they couldn't talk, the athletes went on to win the debate on Reorganization.

POOLING OFF TO THE EDITOR: Alegria's idea concerning the reopening of Strawberry Canyon pool is the most tremendous issue to hit the campus. From today on, I shall scrutinize the editorial page with new interest, hoping, always hoping, for more from the Daily Cal's white hope.

Election Tangle

The business of ASUC officials finding themselves about to hold an election which will be illegal according to the books is at first sight a sad commentary on the way student government must be run.

For if a women's representative is not elected now, and if reorganization passes, the ASUC will be without a women's representative next fall.

But since nobody is particularly excited about it, it's probably safe to guess that Executive committee or some other agency will find a way to get around the law and elect a women's representative Friday. We hope so.—G. B. '42.
