

EDITORIAL CALENDAR 2019

The Los Angeles and San Francisco Daily Journals are the nation's leading daily legal newspapers, reporting extensively on news and trends in legal business.

Most California judges and lawyers, including general counsel, read the newspapers in print and online. The Daily Journals feature up-to-the-minute news and trend pieces on litigation, corporate transactions and regulatory legal work across many sectors, including news and trends in legal business and professional responsibility. We also profile every judge and ADR professional in California and many chief legal officers of public and private companies.

The Daily Journals publish more than a dozen authoritative special issues, including the annual listing of California's most influential lawyers, the state's top women lawyers, and the state's rising legal stars.
